Tithing The Inevitable Error Of Christianity:

Tithing Enoch Bonsu,2015-10-18 Christian libraries abound with works on Tithing but they all have one thing in common they fail to rightly divide the Word of truth The Inevitable Error of Christianity is a unique commentary on tithing and other Old Testament teachings which emphasizes the importance of distinguishing between Law and Grace Throughout the work Enoch Bonsu highlights Paul s apostleship and message among the Gentiles He effectively points out that in Paul s epistles alone we have the commands of Christ for the Church today This is a profitable study for those who desire to grow in the grace and knowledge of our Lord Jesus Christ Paul M Sadler President Berean Bible Society **The Making of a Christian**

T.W. Jones,2019-02-11 In The Making of a Christian Instructions for the Born Again Believer author T W Jones draws on her own personal experiences and those of others to offer seven powerful truths that will propel you to A deeper relationship with God Love even the unlovable Walk in the authority of Christ Be victorious over Satan s devices Grow up in Christ Reap the rewards of giving Receive your inheritance So that you may become a victorious mature and effective Christian in this present world **In the Order of Melchizedek** Emeka Jude Icheku,2022-01-13 Did you know that there are five types of

tithes in the Bible Yet only one type is emphasized in the contemporary church Is tithing part of the law of Moses that was abolished by Christ Will failing to pay the tithe damn the soul In the Order of Melchizedek The Truth about Tithing in the New Testament explores and scripturally addresses these questions and other issues including common misconceptions about tithing the difference between giving and tithing in the Old and New Testaments the convergence of Christ and Melchizedek and scriptural remuneration for ministers This book will illuminate the Scriptures to answer these questions and help Christians and ministers grapple with some of the controversies over the doctrine and practice of tithing that are common in the contemporary church **Beyond Secularism and Jihad?** Peter D. Beaulieu,2012-07-13 Peter D Beaulieu

examines the challenge posed by and to modernity and historic Islam as they encounter one another He compares the Western separation of Church and state with the unitary Islamic State and explores the proposed cultural and societal principles of the Second Vatican Council as potentially influencing long term events in both arenas Beaulieu s research is comprehensive and richly documented yet offers an accessible triangular inquiry into the mosque the manger and modernity By restoring a place at the table for Trinitarian Christianity alongside the engulfing monotheism of Islam and the alternative skepticism of Western rationalism this inquiry broadens the pallet of inter religious and intercultural contact points Beyond Secularism and Jihad provides balanced attention to the differences as well as the similarities between Christianity Islam and modernity An emerging theme is natural law which is universal and intrinsic to all mankind and not confined to competing theologies Neglected in the West that it helped create natural law might contribute to the needed grammar for dialogue between the citizens in the West and the followers of Islam *Facts and Theories as to a Future State* Frederick W.

Grant,1889 **The Christian Advocate** ,1920 *African Pentecostalism in Britain* Katharine Stockland,2022-05-30 Based

on ethnographic research among African Pentecostal Christians living in the UK this book addresses themes of migration and community formation religious identity and practice and social and political exclusion With attention to strained kinship relationships precarious labour conditions and struggles for legal and social legitimacy it explores the ways in which intimacy with a Pentecostal God and with fellow Christians has been shaped by the challenges of everyday life for Africans in the UK A study of religious subjectivity and the success of the so called prosperity gospel African Pentecostalism in Britain examines the manner in which the presence of God is realised for believers through their complex and often fraught relationships of trust and intimacy with others As such it will appeal to sociologists and anthropologists with interests in migration and religion *The Lutheran* ,1955 **Christian Advocate** ,1963 **A Collection of Modern Entries** John Lilly,1758
