Cured Dick B., 2006 Early AAs were cured of Alcoholism For a decade the pioneers said so Alcoholism can still be cured and this book explores in detail the myth that revisionists therapists and treatment folk have perpetuated while ignoring that the original cures were achieved by reliance on the Creator The whole meaning history and detours of the cure situation are thoroughly explored **Live 120 Years in Good Health** Stan Yonker, 2008-05-06 I was in the plumbing and heating wholesale business for twenty five years before going into the ministry at age thirty seven I was always a very positive person and when I went into the ministry I was shocked and deeply disturbed by how people talked about sickness and disease and death The longer I was in the ministry the more I became aware of the great gulf there was between Gods people and God in this whole area I began to see clearly from the Bible what Gods Will was for his people I began to preach and teach about healing and life I began to minister healing to my people I would lay hands on the sick and anoint with oil I began to ask God to heal people It was in the Bible and Jesus did it and He told us to do it so I did it Several people were healed and converted and delivered from Satan Lives were changed by God and I got more and more excited But not everyone got excited In fact I ran into much resistance I found that most Christians just did not believe in the Bible They didnt believe God would heal them and they certainly didnt believe in long life Everyone believed that God took them or He taught people a lesson through sickness or accidents or death So I found that I had to resign from the denomination in which I was a pastor So I started a church in Fort Lauderdale and I have continued to be strong in my faith concerning healing and long life So over the years with all the experiences Ive had and with the negative resistance that I have run up against I have gathered much information and decided to write a book I emphasize how negative and unbelieving we are and how we have developed such deep ruts in our thinking How we blame God How we base everything on the wrong standard How our everyday language is a language of death How we have so much doubt in God It has made me so concerned Only by the love of God flowing through me have I been able to keep my faith and continue to practice what I preach I know it is Gods Will that I help others
