What Is Fiction For? Bernard Harrison, 2014-12-29 Harrison's marriage of philosophy and literary criticism does genuine and novel work *Journal of Aesthetics and Art Criticism* How can literature which consists of nothing more than the description of imaginary events and situations offer any insight into the human condition Can mere words illuminate something that we call reality Bernard Harrison answers these questions in this profoundly original work that seeks to re-enfranchise reality in the realms of art and discourse In an ambitious account of the relationship between literature and

cognition he seeks to show how literary fiction by deploying words against a background of imagined circumstances allows us to focus on the roots in social practice of the meanings by which we represent our world and ourselves Engaging with philosophers and theorists as diverse as Wittgenstein Sartre Merleau Ponty Foucault Derrida F R Leavis Cleanth Brooks and Stanley Fish and illustrating his ideas through readings of works by Swift Woolf Appelfeld and Dickens among others this book presents a systematic defense of humanism in literary studies and of the study of the humanities more generally by a distinguished scholar

Facing the Darkness Within You KH Robertson, 2019-05-23 How big is your God Have you ever come face to face with a Holy God Have you ever considered what would happen to you if you did Do you consider yourself to be messed up missing the mark lacking or a failure Do you deal with memories that haunt you due to regret unforgiveness or PTSD Or do you think that you are all that or God's gift to this world Well this book will address these topics and more Karen was an 18 year old rape victim with a don't mess with me attitude She had a reputation one where people would say Hey you don't want to mess with that girl she will drink you under the table she will cuss you like a sailor she will fight you until she draws blood and she will cut you up with her words and spit you out This is the tough girl baggage that Karen brought with her when she began her corporate career as the traffic manager of a subsidiary of the largest maritime shipping company in the United States Despite growing up in that waterfront industry and having the tenacity disciplines and skills to handle the public relations and manage thousands of tons of cargo moving internationally and locally she struggled with having that same drive to manage her own personal life Through this time Karen occasionally thought of crying out to God for help but she presumed Him to be disinterested in her plight and most likely a wimp compared to the enormity of her crisis Then one night she read a book that was mysteriously delivered to her house This book Power for Living contained testimonies of corporate high rollers sports icons and managers like her but who had surrendered their lives over to the Lord and had been blessed in doing so After considering what she had read she began to pray the prayer of commitment to Jesus that was recorded in the back of the book but she added one additional request of God She defiantly demanded that He prove to her that He was tougher than she was because she refused to serve a wimpy God Well God accepted her challenge that night and what He revealed to her is what she is passionate to share with all Karen's ministry began as she used the gifts and knowledge she received from God to speak His prophetic truths into people's lives Most come away experiencing joy and peace being delivered from what had kept them in fear unforgiveness or bound to their past When teaching Karen has an uncanny way of pressing against those dark places in your character worldview or behaviors that many have adopted as their comfort zone or I just can't change places By skillfully using stories scriptures and questions these truths will challenge you to see yourself as God sees you and guide you to receive His deliverance from what torments you Are you ready to live life differently to see God differently and to take off your mask and keep it off Then get ready to experience freedom and intimacy with a Holy God as you learn how to face the darkness within you
