Ambassador to Romania Paul Brummell Romania Transylvania has been thoroughly updated by prolific travel writer Tim Burford who wrote his first Romania guide in 1991 Transylvania the land beyond the forest is a wild wooded intensely romantic region filled with mountains and gorges myths and legends dragons bears wolves and vampires Bram Stoker called it one of the wildest and least known parts of Europe a description that remains true today Comprehensive chapter per county coverage caters for a diverse range of interests from city breaks to rural escapes skiing to wildlife watching One of the most beautiful regions in central Europe and home to three UNESCO World Heritage sites Transylvania preserves its cultural and artistic treasures in a landscape bordered on three sides by the Carpathian Mountains which provide Romania's finest skiing and hiking destinations Hay meadows in the Lower Carpathians form a grassland ecosystem of extraordinary diversity offering beautiful wildflower displays The Carpathians are home too to lynx wild boar and one of Europe's largest populations of brown bear Other natural phenomena include the Scarisoara Ice Cave in the Apuseni Mountains and the Sfanta Ana volcanic crater lake in Harghita County Transylvania's cultural riches include the Dacian fortresses of the Orastie Mountains including Sarmizegetusa Regia conquered by Roman Emperor Trajan in AD106 Historic Sighisoara is a picture perfect medieval hill town The fortified churches of southern Transylvania are testament to the perils of life in medieval Saxon communities subject to frequent attacks from Ottoman raiders The historic cities of Cluj Sibiu and Brasov are rightly feted and host internationally renowned film electronic music and theatre festivals At Turda's salt mine you can ride the big wheel in an underground amusement park And if you're inspired by the Hotel Transylvania or Twilight films why not follow the Dracula trail visiting sites linked to Bram Stoker's novel Whatever your interests with Bradt's Romania Transylvania you can discover the region's many and varied attractions *Love Dummies* Vera Oren,2017-03-28 The eight short stories show the life challenges endearments and loss of eight women at different ages and different stages in life and of different conditions most of them of Romanian descent and living in Israel Canada or USA They are struggling with loneliness fear and loss of touch with today's society and its rapid technological changes All of them are longing for love and acceptance **The Colours of Love** Dragan Cvetkovic Kaspar,2022-10-31 The Colours of Love is a real life testimony on how a life should be lived and how it should not It recounts my love for my parents love for a woman that I loved more than my life love for my daughter friends love for the countries where I lived Love crime and science fiction like experience triggered by delusions and hallucinations are interwoven in this narrative of life I wrote this book when I was 55 years old as a culmination of my life It recounts my utmost remorse for the things that I did but I should not have done and for things that I did not do but I should have done The consequences of my decisions resulted in extraordinary loss of property physical and intellectual I lost my share in five houses and one apartment I lost my profession my wife my daughter my social status and freedom None of this was my desire Why did this happen to me I had all prerequisites to live a successful and wealthy life My father was a medical doctor my mother was a piano teacher I was a medical doctor my wife was a medical doctor I had permanent

residency permits in two countries Sweden and Australia However I ended up in prison with almost nothing The book is written for adolescents who are just about to face challenges of their lives It is also aimed at adults as a mirror of how good or bad their lives are compared to a non standard life Sex, Love, and Migration Alexia Bloch, 2017-12-15 Sex Love and Migration goes beyond a common narrative of women s exploitation as a feature of migration in the early twenty first century a story that features young women from poor countries who cross borders to work in low paid and often intimate labor Alexia Bloch argues that the mobility of women is marked not only by risks but also by personal and social transformation as migration fundamentally reshapes women s emotional worlds and aspirations Bloch documents how as women have crossed borders between the former Soviet Union and Turkey since the early 1990s they have forged new forms of intimacy in their households in Moldova Ukraine Belarus and Russia but also in Istanbul where they often work for years on end Sex Love and Migration takes as its subject the lives of post Soviet migrant women employed in three distinct spheres sex work the garment trade and domestic work Bloch challenges us to decouple images of women on the move from simple assumptions about danger victimization and trafficking She redirects our attention to the aspirations and lives of women who despite myriad impediments move between global capitalist centers and their home communities A Love Greater Than Words Daniel Popescu, 2020-12-06 A Love Greater Than Words is a true love story between a couple who face great trials and yet remain faithful and confident in a God they believe to be essentially good What they went through they felt they had to write down and share with others From his early life as a rebellious teenager enjoying the pleasures of Bucharest night life to his work as a committed evangelist for the gospel Daniel shows a determination and strength in his desire to follow God The tragedy which hits them both in the prime of their life forces them to ask questions to respond to a different kind of world of hospitals and all that goes with suffering Daniel and Magda are changed in what they experience For one it is the sober change formed in the character for the other it is the change which comes from a true vision of God No words can fully express the love Daniel and Magda show through their trials or the love of the One who mysteriously sits on a throne and does as He wills
