Dragon Time John Doyal,2025-03-21 Jason an orphan with no known family went from street urchin to apprentice wizard Then he met a dragon Was he just lunch for a myth or had he met his first real friend Whichever this the start of his destiny War was coming the first war that The Kingdom has had in hundreds of years the first war on Hector between dragons wizards and a batch of semi trained orphans and boy did the Kingdom need them to grow up fast **The Book of the Undead A Zombie Film Guide** Terry Rowan,2014-08-16 Since The Night of the Living Dead screen Zombies have become increasingly bizarre bloodthirsty yes even cannibalistic A complete film guide to all your favorite undead zombie and the living dead films Interesting stories behind the scenes and a list of my favorite zombie films One thing is for sure Zombies in various forms remain very much alive in the movies and in audiences imagination like yours and mine I want to eat your brains **The Dead Man** David L. Carter,2019-09-06 Jason is a quiet boy but when he finds his cousin Shelby's old ouija board he finds plenty to say and none of it pleasant Unaware of his own considerable psychic gifts Jason and his cousin are soon forced to contend with the particularly nasty spirit of a long dead Confederate soldier and a curse that has sown discord in the family for generations Gripping and suspenseful The Dead Man is at once a tale from the crypt and a story about how the ghosts of the past once they emerge into consciousness have the tendency to force a reckoning that can make or break family ties **Scramble on the Edge** Kerry L. Hyman,2009-02 Wrestling is one of the most grueling combative contests in sports The challenge is the one on one battle inside the 38 circle It can be a tough challenge that takes everything you have both physically and mentally What does it take to train and condition to compete against the best straining every fiber against a determined skilled adversary for six long minutes What price are you willing to pay to prepare for such a battle When have you done enough to gain that rare commodity confidence Let Kerry L Hyman's Scramble on the Edge take you on a fascinating wrestling adventure The story revolves around a bunch of high school wrestlers who work hard to reach their wrestling goals set in a town whose in crowd finds their fulfillment in the pursuit of instant gratification Driven by the fanatical coach of the feeder program whose passion is fueled from the regrets of his own squandered youth they buy into a radical wrestling commitment that propels them to the top The story focuses on Jason Grable a wrestler who has done everything right in his pursuit of a State Wrestling Title only to find adversity from places he never expected a jealous co captain an indifferent school culture academic deadlines and time restraints a girlfriend who doesn't get it and even his high school coach Everything comes to a head during his final post season juggling crisis upon crisis careening on a collision course with the returning State Champ It is a story about wrestling but it is a compelling study of the energy it takes to

propel a program from obscurity to the top and the human bonds forged in an atmosphere of total commitment love and the power of friendship It is also a story of betrayal and the politics of high school sports **Damning the Dead** Kerry
