Matthew Levering

To Heal A Fractured World The Ethics Of Responsibility:

To Heal a Fractured World Jonathan Sacks, 2007-02-06 One of the most respected religious thinkers of our time makes an impassioned plea for the return of religion to its true purpose as a partnership with God in the work of ethical and moral living What are our duties to others to society and to humanity How do we live a meaningful life in an age of global uncertainty and instability In *To Heal a Fractured World* Rabbi Jonathan Sacks offers answers to these questions by looking at the ethics of responsibility In his signature plainspoken accessible style Rabbi Sacks shares with us traditional interpretations of the Bible Jewish law and theology as well as the works of philosophers and ethicists from other cultures to examine what constitutes morality and moral behavior We are here to make a difference he writes a day at a time an act at a time for as long as it takes to make the world a place of justice and compassion He argues that in today's religious and political climate it is more important than ever to return to the essential understanding that it is by our deeds that we express our faith and make it real in the lives of others and the world *To Heal a Fractured World* inspirational and instructive timely and timeless will resonate with people of all faiths

The Gift of Responsibility Lewis S. Mudge, 2008-06-06 This book argues that Judaism Christianity and Islam locked as they have been over the centuries in many kinds of mutual enmity and violence now need to join resources to resist the destructive economic and political forces on the loose across the globe some of which distrust among these faiths has tended to intensify

Soloveitchik's Children Daniel Ross Goodman, 2023-07-18 A close study of three of Soloveitchik's most influential disciples in Jewish thought and philosophy

Recharging Judaism Rabbi Judith Schindler, Judy Seldin-Cohen, 2017-12-04 Recharging Judaism is the essential and timely guide for every synagogue and community seeking to strengthen the bonds of Jewish communal life through advocating for social justice This volume delves into the enriching civic engagement and acts of righteousness already undertaken by Jews and Jewish communities across the country and further explores the positive differences we can all affect upon the future of America There are a myriad of ways in which advocating for social justice and participating in civic engagement can create lasting change Those inspired to affect such change will find new meaning in the texts and history of our tradition Using real examples from both small and large congregations across the country Recharging Judaism offers a framework to guide us through our journey of civic responsibility and social duty and into a brighter future for our country

2010 Boston: The Changing Contours of World Mission and Christianity Todd M. Johnson, Rodney L. Petersen, Gina Bellofatto, Travis Myers, 2012-01-09 In November 2010 three hundred faculty students and others interested in Christian mission gathered in Boston to consider how the world the global church and Christian missions have changed since the World Missionary Conference in Edinburgh in 1910 and to reflect on the three previous centennial conferences Tokyo 2010 in May Edinburgh 2010 in June and Cape Town 2010 in October Participants at 2010 Boston were not delegates from churches and mission agencies but were students and scholars of various aspects of world Christianity representing the

Anglican Episcopal Evangelical mainline Protestant Orthodox and Roman Catholic traditions This conference volume consists of nine keynote messages five student presentations three reports from the other conferences and additional materials from or about 2010Boston The keynote messages address the history of mission especially in and from Boston and the current global context for mission and suggest modes for future Christian engagement with the world and one another Student papers address such conference themes as unity in mission mission and postcolonialism and discipleship in context The closing chapter surveys the conference s eight themes and summarizes the outcomes of the 2010Boston process

Aquinas's Eschatological Ethics and the Virtue of Temperance Matthew Levering,2019-11-15 Matthew Levering offers a biblical and Thomistic portrait of the cardinal virtue of temperance and its allied virtues in dialogue with an ecumenical range of theologians and scholars In Aquinas s Eschatological Ethics and the Virtue of Temperance Levering argues that Catholic ethics make sense only in light of the biblical worldview that Jesus has inaugurated the kingdom of God by pouring out his spirit Jesus has made it possible for us to know and obey God s law for human flourishing as individuals and communities He has reoriented our lives toward the goal of beatific communion with him in charity which affects the exercise of the moral virtues that pertain to human flourishing Without the context of the inaugurated kingdom Catholic ethics as traditionally conceived will seem like an effort to find a middle ground between legalistic rigorism and relativistic laxism which is especially the case with the virtue of temperance the focus of Levering s book After an opening chapter on the eschatological biblical character of Catholic ethics the ensuing chapters engage Aquinas s theology of temperance in the Summa theologiae which identifies and examines a number of virtues associated with temperance Levering demonstrates that the theology of temperance is profoundly biblical and that Aquinas s theology of temperance relies for its intelligibility upon Christ s inauguration of the kingdom of God as the graced fulfillment of our created nature The book develops new vistas for scholars and students interested in moral theology *Our Global Families* Todd M. Johnson,Cindy M.

Wu,2015-02-10 As Christians we belong to not only a diverse global Christian family but also a diverse human family Todd Johnson a noted expert on global Christianity and world missions trends and Cindy Wu show how divisions within these families work against our desire to bring about positive change in the world They provide an overview of global Christian identity exploring how we can be faithful to our own tradition while engaging Christians across denominations and be better informed as we work with people of other religions The book utilizes the latest research data on global Christianity and world religions and includes tables graphs charts and end of chapter discussion questions Alleviating World Suffering Ronald E. Anderson,2017-03-01 This is the first volume on the subject of the alleviation of world suffering At the same time it is also the first book framing the fields of global socio economic development world health human rights peace studies sustainability and poverty within the challenge of alleviating suffering and improving quality of life Both international studies and global development have become specialized and fragmented whereas this work assembles all of these development fragments

together in order to determine whether common ground exists to make headway in reducing global suffering. Leading experts in these various fields of development and suffering have been recruited worldwide to give scholarly assessments of the major human problems and how they can be successfully tackled. **From Curing To Healing** Cherian Koshy, 2024-12-06

Improving the Bandwidth in patient care by exploring the fault lines between Curing and Healing words often used synonymously is analysed. Nobody dies cured but we can die healed. An understanding of the transitivity and valency of these verbs helps in understanding the nuances of curing and healing. The paraplegic at the Coffee vending machine is not cured but healed. An autobiographical narrative this book describes the treating of Air Crash Victims in one of the worst crashes in the country at Bangalore: smashed faces, hand injuries, burns, and body sculpting surgery. Moving thence to Regional Cancer Centre Trivandrum, it became cancer surgery, reconstruction, and palliative care. The PEPSI model of care described herein mandates taking care of Physical issues like fractures, cancers, pain; P Emotional issues like depression; E Psychological and Psychosocial issues; P Spiritual Concerns; S and Interpersonal relationships; I. A holistic approach celebrating life with the celebrity: the patient is exhorted not being a fan of the celebrity who endorses Pepsi. Thus we help patients Live till they Leave, focussing on quality of life as the race for quality doesn't have a finishing line. **Revitalizing Relationships** Catherine Ducommun-Nagy, Hanneke Meulink-Korf, Greteke De Vries, 2023-06-22

This book about revitalizing family and social relationships in an increasingly diverse and polarized world should become a resource for a vast array of professionals in the fields of mental health and social and community services. It will also serve as a textbook on contextual therapy and its applications that fills a gap in the literature on this approach. It will present it in a highly understandable language using a new terminology. Hence this book will meet the needs of many contextual therapists and contextually inspired pastoral counselors at any level of expertise. For other professionals, this book can open new ways of thinking and new strategies to address many of the situations they are likely to encounter. In addition, in a format never tried before, this book includes a section dedicated to contributions of contextual therapy to practical theology, the pastoral process, and interfaith studies. It will also present the contributions of these studies to the facilitation of interfaith encounters that can serve as a model for any professional working in a multicultural environment.
