To Steal A Kingdom Probing Hawaiian History:

To Steal a Kingdom Michael Dougherty, 1992 History of the overthrow of the Hawaiian Kingdom 1893 *The White Pacific* Gerald Horne, 2007-05-31 Worldwide supplies of sugar and cotton were impacted dramatically as the U S Civil War dragged on New areas of production entered these lucrative markets particularly in the South Pacific and plantation agriculture grew substantially in disparate areas such as Australia Fiji and Hawaii The increase in production required an increase in labor in the rush to fill the vacuum freebooters and other unsavory characters began a slave trade in Melanesians and Polynesians that continued into the twentieth century The White Pacific ranges over the broad expanse of Oceania to reconstruct the history of blackbirding slave trading in the region It examines the role of U S citizens many of them ex slaveholders and ex confederates in the trade and its roots in Civil War dislocations What unfolds is a dramatic tale of unfree labor conflicts between formal and informal empire white supremacy threats to sovereignty in Hawaii the origins of a White Australian policy and the rise of Japan as a Pacific power and putative protector It also pieces together a wonderfully suggestive history of the African American presence in the Pacific Based on deft archival research in Australia New Zealand Fiji Hawaii the United States and Great Britain The White Pacific uncovers a heretofore hidden story of race labor war and intrigue that contributes significantly to the emerging intersectional histories of race and ethnicity **Perversions of**

Justice Ward Churchill, 2003 Examines the faulty reasoning employed to legislate colonial control over North America s indigenous peoples and their lands *Barack Obama, The Aloha Zen President* Michael Haas, 2011-01-19 With a foreword written by former presidential candidate Michael Dukakis this book portrays President Barack Obama as a true child of Hawai i and explains why he believes that America can achieve even more greatness by learning from the multicultural customs of the 50th state Obama s aspiration to transform the United States using Hawai i as his model has been a conspicuous theme in his books and speeches over the years In them he extols Hawai i s multicultural ethos describing how a normative problem solving mindset predicated on mutual respect and harmonious interchange is inculcated in the culture politics and society of the Islands Indeed this Aloha Spirit is imbued in Barack Obama is part of what made him irresistibly charismatic as a candidate and explains why voters in 2010 were baffled at his demeanor after he became the 44th President of the United States This unique book examines Obama s decisions as an adult and as president and exposes how they are directly linked to the culture of Hawai i and Obama s multicultural life as a child The author and contributors also describe the ways in which native Hawaiians were dispossessed of their sovereignty and their land how they steadfastly sought justice and how their quest served as a model for Obama s mobilization of support for his candidacy **The Rough Guide to**

White Privilege in Transition Choo Lak Yeow,2023-04-20 The white privilege phenomenon arguably began when European countries started to colonize Africa the Americas Asia Australia New Zealand and the Pacific Islands White privilege is built on the twin towers of European colonizers exploiting their colonies human resources and stealing their natural resources to build up their ill gotten wealth Structured into their system white privilege perpetuates white supremacy Horrible examples of white privilege are mentioned to show how white people dehumanized races in their colonies and stole their natural resources White privilege continues today in many parts of the world in various ways White privilege is a heresy because it is anti Bible It is blind to the fact that the iniquities of the colonizing fathers live on today in the very structures and systems governing the world It is an apostasy because it clearly denies the doctrine that all humans are created in God s image White Privilege in Transition is a frank assessment of the damage white privilege has done In a persuasive nonjudgmental way this work invites practitioners of white privilege to accept the fact that competition and survival today take place on a level playing field

The Healthy Ancestor Juliet McMullin,2016-06-16 Native Americans researchers increasingly worry are disproportionately victims of epidemics and poor health because they fail to seek medical care are non compliant patients or lack immunity enjoyed by the mainstream population Challenging this dominant approach to indigenous health Juliet McMullin shows how it masks more fundamental inequalities that become literally embodied in Native Americans shifting blame from unequal social relations to biology individual behavior and cultural or personal deficiencies Weaving a complex story of Native Hawai ian health in its historical political and cultural context she shows how traditional practices that integrated relationships of caring for the land the body and the ancestors are being revitalized both on the islands and in the indigenous diaspora For the fields of medical anthropology public health nursing epidemiology and indigenous studies McMullin s important book offers models for more effective and culturally appropriate approaches to building healthy communities
