To Trust A Broken Roads Romance:

To Trust Carolyn Brown, 2009 **To Trust** Carolyn Brown, 2008 Dee Hooper and Jack Brewer grew up next door to each other in sleepy Buckhorn Corner Oklahoma. From the time they were less than a year old they'd been best friends but then Dee eloped with a man from Pennsylvania. Seven years later she's brought a broken heart back home to her dysfunctional family. Roxie the grandmother who runs the family with an attitude of steel. Mimosa the mother who's been married so many times she's forgotten half of them. Tally the sister who's in the county jail for writing hot checks. Bodine Tally's daughter who's been raised by Rosie just like Dee and Tally were and Jack the boy next door who's always loved Dee. Jack was the computer geek in high school and he's turned that knowledge into a lucrative business one that allows him to continue to run the convenience store in town which he loves. He's content selling picnic supplies and bait to the fishermen and campers. But there's a hole in his heart and the only person who can fill it is Dee Hooper. Then one hot summer day she appears and he's determined not to let her hurt him or get away again. With Dee and Jack battling past hurts and fears they try to reclaim their lifelong friendship and trust again each secretly hoping they'll be more than just friends this time around.

Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best selling genre of all time romance fiction. More than 2 000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles emerging authors and constant evolution of this dynamic genre. Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre* published in 1999. While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have. When Noah Fitzgerald is dramatically jilted he needs a quick getaway so Bree suggests he come with her. Spending her days with a billionaire is not what she was expecting. Not

only is their spark of attraction completely new but it has them both rethinking where they're going in life. An emotionally riveting journey. Michelle Douglas shines in *Secret Billionaire on Her Doorstep*. The story is fast-paced with many ups and downs and I found myself unable to put it down until I found out how it was going to end. I highly recommend this book. Goodreads Michelle Douglas always takes me on wonderful journeys filled with love, emotion, and romance. This is a book that should not be missed. I loved it so much I highly recommend this one. Goodreads on *Singapore Fling with the Millionaire*.

The English Review Ford Madox Ford, 1928 [Falling Star](#) Karen Wiesner, 2011-08 A man of God, a fallen angel. Two different worlds, one undying love. For the first time in her life, Rori Mason is independent, supporting herself. She has friends who love her and most importantly, she respects herself. She's vowed never to allow a man to hurt her again. Nate Jovanovich broke the heart of a younger, less cynical Rori by marrying her rival. 11 years later, Nate has lost his wife, gained a child, and at the end of it all, realizes Rori is still the woman of his heart. **Hidden** Karen Wiesner, 2021-06-11 Sometimes what you don't know can hurt you. Following a troubled childhood, Sybilla Nygard marries her much older entrepreneur partner Tobias Ocampo. They've been inseparable since they started Offbeat Enterprises together. Their publishing house produces a book series focused on unusual homes. After suffering memory loss about his past, Tobias inherits an elaborate, isolated estate at the top of Bloodmoon Mountain in Bloodmoon Cove. The reports and rumors swirling about the house, suggesting death and secrets hidden within, make it all the more appealing to Syl as their next Offbeat Homes project. But her biggest motivation is discovering more about Tobias's beginnings. Although Syl and Tobias don't relish spending winter trapped in isolation, they bring along their closest family and friends to keep them company while they search out the mysteries of Howling Halls. The nightmare Syl has been having as long as she can remember returns. The voice of a ghost urges, "Find me," leading her to hidden spaces and the skeletons of a family desperate to escape its demons, all while monstrous things are waking up hungry.

Once Upon a Cliche Karen Wiesner, 2019-03-28 Detached and ignored for most of her life, Brayla Sullivan is the awkward, ugly duckling destined for spinsterhood who's never been kissed, never gone anywhere beyond the small town she was born and raised in. When she starts corresponding with a man from a Meet Exotic Singles website and he suggests they meet, she drops everything to fly to him in a last-ditch effort to find her happily ever after. The only son in a family of daughters, Shaun Levi Peaceful's Chief of Police has never looked the part of a dashing hero. Whenever he'd opened his mouth, his sisters had spoken for him or over him, and now any attempts at conversation with the opposite sex lead him to either a loss for words or making a mess that's ensured he'll stay a bachelor for life. Brayla has been nothing more than a buddy he's known all his life. But when a kiss between them on a particularly lonesome New Year's takes a turn for the worse, he sees a side to his old friend he never anticipated, and the consequences may just leave him without a friend or a prayer of convincing her they could share so much more. Brayla's poorly conceived plan to meet Mr. Right veers from point A to Z to F, and every sad where-in-between leaving her hopelessly lost and desperate for someone to rescue her. Everything she expects to happen falls

through while the unexpected may turn into everything she's ever dreamed of or all she's dreaded On the rocky road to happily ever after who knows what can happen **A Perfect Match** Karen Wiesner, 2019-11-30 At nearly 40 Dante Robinson has never been in a relationship that wasn't more than a one night stand His nephew a college student living in the upstairs apartment of his garage reveals that on a lark he and his friend started an online dating company Perfect Match Dante insists he shut it down until the kid offers to hook him up with a naughty librarian Lena Young has worked two jobs since she was in high school She's 30 and raises the daughter of her abusive older brother a truck driver as if she's her own When her friend convinced her to sign up for Perfect Match she couldn't get herself to go through it until Dante responds to her profile Developing a major crush on her brother's best friend hadn't been difficult when Lena was a sheltered girl but Dante hasn't been back to their house in 16 years After she agrees to meet him without telling him who she is she discovers he only invited her over to his house to get laid She's mortified but when an equally humiliated Dante comes to the truck stop diner she works on the weekends and apologizes begging her to forgive him she can't turn him away Wanting to tell him to hit the road she instead finds herself believing him championing his determination to become a better man convinced that with him she could have one thing in her life that brings her the kind of joy she's always dreamed of but has never considered possible
