Today S Hunter Manual And Workbook:

Self-Help, Inc. Micki McGee, 2005-09-08 Why doesn't self help help Cultural critic Micki McGee puts forward this paradoxical question as she looks at a world where the market for self improvement products books audiotapes and extreme makeovers is exploding and there seems to be no end in sight Rather than seeing narcissism at the root of the self help craze as others have contended McGee shows a nation relying on self help culture for advice on how to cope in an increasingly volatile and competitive work world Self Help Inc reveals how makeover culture traps Americans in endless cycles of self invention and overwork as they struggle to stay ahead of a rapidly restructuring economic order A lucid and fascinating treatment of the modern obsession with work and self improvement this lively book will strike a chord with its acute diagnosis of the self help trap and its sharp suggestions for how we can address the alienating conditions of modern work and family life
