The Revelation of St. John the Divine - Volume 2 Herb Fitch, 2011-11-28 This is the second book of two volumes which completes Herb Fitch's interpretation on The Revelation of St John the Divine It was transcribed word for word from the tapes of classes 14 through 25 of the Revelation Seminar he gave in 1970 Over the centuries John's Revelation was in plain sight yet not understood and the reason is because only the Christ Mind in man can reveal the Truth of Being Not until the year 1970 did a man who also experienced the Mind which was in Christ Jesus sit still in meditation over many months until at last the entire message of the Revelation was revealed once again That man was Herb Fitch For those of you who have learned to make that contact with Spirit within this book will now take you further on the Spiritual path This book will show you how to let that Spirit take over your life In other words it will help you to die out of humanhood and be a transparency for Christ bringing to you an actual awareness of your own Christhood It is suggested that you find a quiet place and read only one chapter at a time until Something calls to you from these pages Then put these writings down and walk away find a place and sit down to meditate on what has stirred you within I can tell you with a certainty born of experience that you can walk in another Dimension right here and right now a Kingdom an inner Temple not made with hands incomprehensible to the human mind It is the Dimension in which your Eternal Self walks It is the Kingdom in which your Spiritual identity resides It is an inner Presence the Spirit closer than breathing nearer than hands and feet and it must take over your entire living experience both within and without Only then will you be obeying the message You must be born of the Spirit The Mormon Delusion.
