Teaching Global Literature in Elementary Classrooms Kelly K. Wissman, Maggie Naughter Burns, Krista Jiampetti, Heather O'Leary, Simeen Tabatabai, 2016-07-15 Demonstrating the power of teaching global literature from a critical literacy perspective this book explores the ways that K 6 educators can infuse diverse texts into their classrooms and find support for their endeavours in teacher inquiry communities Through carefully analyzed ethnographically informed portraits of classroom life alternating with teachers own accounts of their teaching and learning experiences it demonstrates how students are moved to question debate and take action in response to global texts This multi vocal work both emerges from and responds to tensions and debates related to the purpose and practice of literature education in a time of Common Core State Standards

Making Sense Juli Kendall, Outey Khuon, 2023-10-10 Reading is all about understanding How do we know our kids are getting it and what do we do when they don t get it Authors Juli Kendall and Outey Khuon believe that small group comprehension lessons have a key role to play in advancing students understanding of texts Making Sense Small Group Comprehension Lessons for English Language Learners they provide answers to many common questions asked by teachers of ELL It is an easy to use practical resource for ELD ESL and ESOL teachers The book s five main sections are geared to the stages of language proficiency and lessons span kindergarten through grade 8 The authors outline 52 lessons that teach students how to make connections visualize infer and determine importance Each lesson follows a four part teaching framework Start Up Connection Helping students build background and use prior knowledge to connect to the lesson Give Information Explicitly telling students what they are going to learn and why they are learning it Active Involvement Students practice what they are learning while the teacher monitors and adjusts instruction accordingly Off You Go Opportunities for students to practice what they learned with peers or independently Making Sense will appeal to experienced teachers seeking to expand their repertoire of lessons as well as new teachers just beginning the adventure of teaching comprehension to English language learners

Pop-Up Books Nancy Larson Bluemel, Rhonda Harris Taylor, 2012-02-02 A convincing explanation of why interactive or movable books should be included in the library collection that documents their value as motivational instructional tools in all areas of the school curriculum across many grade levels Pop up books possess universal appeal

Everyone from preschoolers to adults loves to see and tactilely experience the beautiful three dimensional work of Robert Sabuda David A Carter and other pop up book creators Sabuda himself was inspired to become a pop up book artist after experiencing the 1972 classic pop up The Adventures of Super Pickle The effect of these movable books on young minds is uniquely powerful Besides riveting children s attention pop up books can also help build motor skills teach cause and effect and develop spatial understanding of objects Based on their direct experience and many presentations to teachers and librarians the authors have provided template lesson plans with curriculum and standards links for using the best pop up books currently available in the instructional program of the school The book also includes profiles of the most notable authors a history of the format definitions of terms such as flap book and paper engineer and information on how to create movable books Librarians will find the section regarding collection development with the format how and where to acquire them proper storage methods and the annotated listing of the authors 50 favorite pop ups extremely helpful **Creative**

Drama and Music Methods Janet E. Rubin, Margaret Merrion, 2011-01-16 The third edition of this popular text uses music and drama to promote learning across the curriculum and with all types of learners Based on arts integration standards differentiated instruction techniques and current research Creative Drama and Music Methods provides the theory along with applications to help teachers build confidence in using the arts in their daily lesson plans The text is filled with hands on activities that guide pre service and K 8th grade teachers in understanding that integrating drama and music is easy fun and vital to fostering a child s desire to explore imagine and learn Examples are provided in each chapter along with the purpose of the activity and tips for instruction Rubin and Merrion provide activities that engage elementary and middle school students and range from simple stories and rhythmic activities to story dramatization and composition All the activities can be comfortably incorporated into the classroom routine and place no additional burdens on the teacher They are especially useful for educators with valid learning goals but limited experience in creative drama and music Not typical for creative drama or music texts Creative Drama and Music Methods takes a process approach to the two arts placing primary significance on the learner s growth and development
