Tombstone Postcard History:

Tombstone Jane Eppinga,2010 In the 1800s Tombstone was a rowdy silver mining camp and the scene of a famous gunfight that enhanced its wicked reputation When the rich silver mines were tapped out Tombstone managed to survive and lived up to its motto The Town Too Tough to Die The movie industry enhanced this wild reputation by portraying legendary gunfights at the O K Corral which never actually took place at that location For many years the town has used its history to attract visitors by giving them a sense of life in the Old West This volume includes many of the postcards tourists mailed home depicting romanticized and legendary views of Tombstone *Tombstone's Treasure* Sherry Monahan,2010-11-23 Sherry Monahan is an authority on the city that wouldn't die and its history In *Tombstone's Treasure* she focuses on the silver mines one reason for the city's founding and the saloons the other reason the city grew so quickly When the discovery of silver at Tombstone first became known in mid 1880 there were about twenty six saloons and breweries By July of the following year the number of saloons in Tombstone had doubled The most popular saloon games of the time were faro monte and poker with some offering keno roulette and twenty one Monahan shares true tales about Tombstone's mining and gambling history and describes a different time and locale where wealthy businesspeople and rugged miners rubbed elbows at the bar and gambled side by side It is both shocking and enlightening to learn just how sophisticated Tombstone really was when the Earps Doc Holliday Johnny Ringo and Curly Bill strode the boardwalks Tombstone actually had telephones ice cream parlors coffee shops a bowling alley and a swimming pool Wow It is so contrary to the Hollywood version of the town but it's absolutely true from the Foreword by Bob Boze Bell Read Sherry Monahan's interview on AMC on the Wild West and the film *Wild Bill* **Bygone Shanghai A Postcard History from 1890 to 1945** Felicitas Titus,2017-03-22 A beautiful comprehensive collection of antique China and Shanghai specific postcards which takes you through the colonial era of China 1890 1945 The text is written by Felicitas Titus M A in German and French Languages from U C Berkeley who was born and raised in China during the years of 1925 1950 and who is an expert on Chinese history Her commentary provides just enough explanation of the events and people of that period to make the postcards come alive The entire book is filled with historically significant and lovely images capturing Chinese life at that time **New Jersey Cemeteries and Tombstones** Richard F. Veit,Mark Nonestied,2008 *New Jersey Cemeteries and Tombstones* presents a culturally diverse account of New Jersey's historic burial places from High Point to Cape May and from the banks of the Delaware to the ocean washed Shore to explain what cemeteries tell us about people and the communities in which they lived *The Journal of Arizona History* ,2014

Hidden History of Routt County Rita Herold,2020-08-10 Settling Routt County was never easy or safe Fugitives used the undeveloped landscape as an outlaw trail to evade authorities The inexorable Harry Tracy managed three jailbreaks before being killed by a posse Conversely many of the first families left entrepreneurial legacies Widowed Alice Bartz sold the family homestead to start the Bartz Hotel in her Steamboat Springs bakery and house serving three meals a day to locals and

guests Others families like the Nays and the Laughlins were able to cut hay and raise enough livestock to pass the land down to future generations Native author Rita Herold preserves oral histories and nearly forgotten episodes of the county s past

Postcards from the Trenches Allyson Booth,1996 She links for example the modernist representation of an unstable self to soldiers familiarity with corpses the modernist mistrust for fact to the competing nationalist discourses of August 1914 and the modernist description of buildings as having shaken off the past to a desire to forget the war Booth argues that the dislocations of war often figure centrally in modernist forms even when the war itself seems peripheral to modernist content

Peabody in Vintage Postcards William R. Power,2002 Peabody was settled in 1626 as Brooksby Village and was originally a part of the town of Salem In 1752 citizens joined in the area of town known as Salem Village to form the town of Danvers The separation of the two towns into Danvers and South Danvers took place in 1855 In 1868 the name of South Danvers was changed to Peabody to honor its native son George Peabody In Peabody vivid postcards offer a contrasting view of what it was like to live and work in a community having two distinct characters the town center with its bustling tanning industries which soon earned Peabody the sobriquet of Leather Capital of the World and the pastoral farming villages of Brookdale Locustdale Brooksby and West Peabody which portray a sense of life in rural America during this same era
