Assassin series by New York Times bestselling author Jennifer Estep it's Gin Blanco's party and you'll cry if she wants you to Red is definitely my color Good thing because in my line of work I end up wearing it a lot Most people shy away from blood but for an assassin like me Gin Blanco aka the Spider it's just part of the job Still it would be nice to get a night off especially when I'm attending the biggest gala event of the summer at Briartop Ashland's fanciest art museum But it's just not meant to be For this exhibition of my late nemesis's priceless possessions is not only the place to be seen but the place to be robbed and taken hostage at gunpoint as well No sooner did I get my champagne than a bunch of the unluckiest thieves ever burst into the museum and started looting the place Unlucky why Because I brought along a couple of knives in addition to my killer dress Add these to my Ice and Stone magic and nothing makes me happier than showing the bad guys why red really is my color **Venom in the Veins** Jennifer Estep, 2018-06-12 *Poison Promise* Jennifer Estep, 2014-07-22 In book eleven of
