accounts of the Roswell UFO incident would transform Roswell from a forgotten incident to perhaps the most famous UFO
case of all time In 1978 author Stanton T Friedman interviewed Jesse Marcel who voiced his suspicion that debris he
recovered on a ranch near Roswell in 1947 was not of this world Marcel and others gave descriptions of debris which seemed
to be describing a similar set of objects More spectacularly numerous accounts of aliens and alien craft emerged as UFO
researchers sought out and interviewed more people in connection with the 1947 incident Mac Brazel who discovered the
debris which sparked the Roswell UFO incident died in 1963 well before researchers started to interview witnesses to the
incident However he was interviewed in 1947 and his accounts of debris appeared in the Roswell Daily Record on July 9 1947
In the interview he said he found bright wreckage made up of rubber strips tinfoil a rather tough paper and sticks Jesse
Marcel was approached by researchers in 1978 and he recounted details suggesting the debris Brazel had led him to was
exotic He believed the true nature of the debris was being suppressed by the military His accounts were featured in the 1979
documentary UFOs are Real and in a February 1980 National Enquirer article which are largely responsible for making the
Roswell incident famous by **Cover-Up at Roswell** Donald Schmitt, 2025-09-12 As we approach the 70th anniversary of
the most significant UFO event of all time best selling author Donald R Schmitt takes a fresh look at the renowned incident
Previous books on Roswell including his have focused on the witnesses their families and the history of the case Cover Up at
Roswell catalogs the extreme measures the U S government exercised to suppress the truth How they silenced military
witnesses clearly demonstrates their need to prevent the facts from leaking out But more disconcerting are the tactics used
against civilians and the media Over the years the government has actually issued four different explanations for what took
place in 1947 yet Roswell remains a mystery shrouded in secrecy cover ups and deception Is a fifth explanation at hand
Cover Up at Roswell includes fascinating new information such as The most comprehensive timeline of events ever written
What the base commander's secretary confessed The answers to the 20 most frequently asked questions about Roswell The
