Thomas Griffiths

World History 2 2008 Sol Review:

Book Review Digest ,2009 Virginia Politics & Government in a New Century Jeff Thomas,2016-10-24 The modern political landscape of Virginia bears little resemblance to the past The commonwealth is a nationally influential swing state alongside stalwarts like Florida or Ohio But with increased power comes greater scrutiny and corruption Governor Bob McDonnell received a jail sentence on federal corruption charges later vacated by the U S Supreme Court Corporate influence on the state legislature and other leaders resulted in numerous ethics violations Scandal erupted at the prestigious University of Virginia when the school ousted its president amid political drama and intrigue Author Jeff Thomas reveals the intersection of money power and politics and the corrosive effect on government in a new era **World Literature**

Decentered Ian Almond,2021-07-13 What would world literature look like if we stopped referring to the West Starting with the provocative premise that the West is ten percent of the planet World Literature Decentered is the first book to decenter Eurocentric discourses of global literature and global history not just by deconstructing or historicizing them but by actively providing an alternative Looking at a series of themes across three literatures Mexico Turkey and Bengal the book examines hotels melancholy orientalism femicide and the ghost story in a series of literary traditions outside the West The non West the book argues is no fringe group or token minority in need of attention on the contrary it constitutes the overwhelming majority of this world The Comic Art of War Christina M. Knopf,2015-07-28 For military cartoonists the absurdity of war inspires a laugh or cry response and provides an endless source of un funny amusement Cartoons by hundreds of artists at arms from more than a dozen countries and spanning two centuries are included in this study the first to consider such a broad range of military comics War and military life are examined through the inside jokes of the men and women who served The author analyzes themes of culture hierarchy enemies and allies geography sexuality combat and civilian relations and describes how comics function within a community A number of artists included were known for their work with Disney Marvel Comics the New Yorker and Madison Avenue but many lesser known artists are recognized Smart from the Start
