Significant Others Monte Cox, 2017-09-12 A generation ago most Americans had little or no contact with Muslims Hindus Buddhists or any other adherents of non Christian religions Now our culture is much more pluralistic In addition to these others many Westerners disenchanted with Christianity are more inclined than they were a generation ago to dabble in new spiritual alternatives that were not as readily available here before Many Christians feel intimidated by these changes Many Christians don't know how to engage their newest non Christian neighbors in conversation partly because they feel ignorant about the religions

practiced by others Significant Others seeks to fill this knowledge gap so readers will become more acquainted with the religious backgrounds of devout non Christians they are meeting as well as with the growing number of American people who claim no religious affiliation at all Each chapter outlines the major world religions according to their significant founders or leading figures significant beliefs and practices significant sects and developments and significant points of contact and points of contrast with Christian faith

Preaching with Cultural Intelligence Matthew D. Kim, 2017-10-17 To preach effectively in today's world preachers need cultural intelligence They must build bridges between listeners who come from various denominations ethnicities genders locations religious backgrounds and more Experienced preacher and teacher Matthew Kim provides a step by step template for cross cultural hermeneutics and homiletics equipping preachers to reach their varied listeners in the church and beyond Each chapter includes questions for individual thought or group discussion The book also includes helpful diagrams and images a sample sermon and appendixes for exegesis for listeners and for exploring cultural differences

Place/No-Place in Urban Asian Religiosity Joanne Punzo Waghorne, 2016-07-15 This book discusses Asia's rapid pace of urbanization with a particular focus on new spaces created by and for everyday religiosity The essays in this volume covering topics from the global metropolises of Singapore Bangalore Seoul Beijing and Hong Kong to the regional centers of Gwalior Pune Jaipur and sites like Wudang Mountain examine in detail the spaces created by new or changing religious organizations that range in scope from neighborhood based to consciously global The definition of spatial aspects includes direct place making projects such as the construction of new religious buildings temples halls and other meeting sites as well as less tangible religious endeavors such as the production of new mental spaces urged by spiritual leaders or the shift from terra firma to the strangely concrete effervescence of cyberspace With this in mind it explores how distinct and blurred and open and bounded communities generate and participate in diverse practices as they deliberately engage or disengage with physical landscapes cityscapes It highlights how through these religious organizations changing class and gender configurations ongoing political and economic transformations continue as significant factors shaping and affecting Asian urban lives In addition the book goes further by exploring new and often bittersweet improvements like metro rail lines new national highways widespread internet access that bulldoze both literally and figuratively religious places and force relocations and adjustments that are often innovative and unexpected Furthermore this volume explores personal experiences within the particularities of selected religious organizations and the ways that subjects interpret or actively construct urban spaces The essays show through ethnographically and historically grounded case studies the variety of ways newly emerging religious communities or religious institutions understand value interact with or strive to ignore extreme urbanization and rapidly changing built environments

The Illustrated Guide to World Religions Michael David Coogan, 1998 Graced with rich illustrations and written by a team of eminent scholars this book presents a wealth of information on faiths around the world Each chapter in this volume examines one of seven major world
