Dukes,2012-12-06 *World's Apart* Sharon Felicia Acheampong,2012-10-04 No one was saying anything No one was telling the two princes or any of the palace staff anything and they were getting worried It was around eleven PM when there was the sound of commotion coming from the room then silence then the anguished scream of a man whose heart had been torn out Itzel immediately threw up Something had gone awfully wrong and most of the people who had heard could guess but no one dared to vocalize it A few minutes later one of the doctors came out to tell them that Zora had given birth to twins a boy and a girl but she had died in the process In less than a year Kimora had lost two queens *Worlds Apart* is a story about a king who gives up his throne when he gets heartbroken a princess and a prince who never knew they were twins who meet and do not realise they are related and a best friend who helps to bring a broken family together Worlds Apart William L Frame,2020-09-10 Heiress to the legacy of her father s throne Jennifer Hendricks fled a life she had no desire to inherit staging her death with the aid of her mother s most trusted agents in a highly publicized terrorist attack upon the royal estate where she grew up Amid the chaos Jennifer was secretly smuggled aboard the Fulcrum a colonial starship preparing for a 137 year voyage to the Opalla colony safely hidden in a hibernation pod as one among the thousands of colonists within the starship s hold Jennifer slept through the passage of time hoping to awaken in a future with the freedom to begin a new life Fires burned charring the soil down the length of a long depression carved into the land by the rock s impact A lone hunter watched spellbound in the darkness as a strangely clothed figure awkwardly climbed out of the smoldering rock that had fallen from the night sky Controlling his fear the hunter approached and knelt beside the figure He was astonished to see a young girl s face with pinkish skin green eyes and fiery red hair inside a hard shell that covered her head The hunter s eyes gazed up into the darkness of the spirit realm of his ancestors and wondered if she had returned to the land for another life Jennifer awoke to find herself alone in a firelit cave lying within a warm bed of soft furs Her leg broken during the pod s impact had been reset and wrapped in a stiffening animal hide She was curious as well as afraid to learn the identity of her benefactor But when he stepped into the cave she stared in a wide eyed wonder feeling as if she had traveled back to a place in time she knew nothing about With the hunter s help Jennifer began a new life far removed from the horrors of her dark past and accepted her life s unforeseen twist of fate Unbeknownst to her the passage of time and the vast distances of space would not diminish the hatred of her father s many enemies or permit her from escaping their vengeful wrath **From Worlds Apart** Billy Joe Neese,2009 This is a story of two families ordinary people intertwined with the dates places and extraordinary events of

world history Their names are not found in history books Many in the 18th century could neither read nor write their names but the Neeses and Falcons despite any illiteracy were part of the great movement of peoples from around the world who came to the New World to build the most powerful country on this planet They established freedom as the bedrock upon which America stands Our people endured much hardship and privation but they did not give up in their determination to build America Our people were among the pioneering immigrants who laid the foundation of our country the ideals of our country are steeped in the sweat and blood of these early Americans the Neeses and Falcons *Awakening: The Girl Who Went Worlds Apart* Katelynn Mory, 2013-11-30 When Fay Constantine your average college student in New York is kidnapped one cold December night she wakes up in a frightening elaborate medieval dungeon She will do whatever it takes to get back home even if that means becoming an unlikely heroine in a strange yet enchanting new world of mystifying to nightmarish creatures In doing so she will discover a sacred gift that has been hidden long within herself that will uncover her inevitable destiny Along her journey she will find romance befriend new companions and together they will meet the many faces of evil In the end her cause to finding a way home becomes forever changed in an unforgettable way Worlds Apart Howard Goldblatt, 2024-12-06 Thirteen selected papers from an international conference on contemporary Chinese literature held near Gunzburg Bavaria in June July 1986 constitute both a record of literary writings from the PRC Hong Kong and Taiwan as well as an overview of the broader international role of Chinese writing in translation **Worlds Apart?** Dunja M. Mohr, 2025-10-09 Literary critics and scholars have written extensively on the demise of the utopian spirit in the modern novel What has often been overlooked is the emergence of a new hybrid subgenre particularly in science fiction and fantasy which incorporates utopian strategies within the dystopian narrative particularly in the feminist dystopias of the 1980s and 1990s The author names this new subgenre transgressive utopian dystopias Suzette Haden Elgin's Native Tongue trilogy Suzy McKee Charnas Holdfast series and Margaret Atwood's The Handmaid's Tale are thoroughly analyzed within the context of this this new subgenre of transgressive utopian dystopias Analysis focuses particularly on how these works cover the interrelated categories of gender race and class along with their relationship to classic literary dualism and the dystopian narrative Without completely dissolving the dualistic order the feminist dystopias studied here contest the notions of unambiguity and authenticity that are generally part of the canon *Worlds Apart Book 01 - Meridian* James Wittenbach, 2012-07-05 2 000 years after the fall of the Galactic Commonwealth the remote colonies of Sapphire and Republic have recovered the technology for starflight and set out to rediscover humanity's lost worlds The mighty Pathfinder Ship Pegasus is launched on a 300 year mission of discovery But the combined Sapphirean and Republic crew of Pegasus will have to learn to work with each other Sapphireans are freedom loving individualists while the culture of Republic is collectivized and authoritarian 2 000 years of societal evolution on 13 000 worlds have produced a wildly divergent range of cultures on the colonies humanity left behind The worlds they encounter will often seem more alien than human The people

of Meridian for example seem to be transforming into weird insectoid hive creatures Also they are dangerous and hostile intent on capturing the landing team and using them to conquer Sapphire and Republic which makes the story more interesting Did I mention the ship s AI evolves sentience and tries to kill everybody That also happens Pegasus is commanded by Bill Keeler a historian whose sarcastic wit is exceeded only by his contempt for regulations Also he drinks His conniving shrew of a First Officer Goneril Lear plots to take over the command she believes should have been hers His Tactical Officer Phil Redfire a performance artist whose art consisted of blowing up buildings plots to stop her The Worlds Apart novels have been described as vivid hilarious and reminiscent of Douglass Adams in his heyday Meridian is the first of 12 These novels have been enjoyed by thousands of people worldwide and are being published in e book formats for the first time **Worlds**
