Zelfs Als Wij Zullen Verliezen Joden In Verzet En Illegaliteit 1940-1945

Peter Jan Kneegtmans

Zelfs Als Wij Zullen Verliezen Joden In Verzet En Illegaliteit 1940-1945:

The History of the Jews in the Netherlands Hans Blom, R.G. Fuks-Mansfeld, I. Schöffner, 2001-12-01 This acclaimed history of the Jewish role in Dutch society through the ages now available in English considers the internal evolution of the Jewish community as well as the social cultural and economic interaction with the wider population This general survey should appeal to a wide public interested in the history of the Jews of the Netherlands Het Parool The Holocaust, Israel and 'the Jew' Evelien Gans, Remco Ensel, 2025-10-01 This book is the first comprehensive study of postwar antisemitism in the Netherlands It focuses on the way stereotypes are passed on from one decade to the next as reflected in public debates the mass media protests and commemorations and everyday interactions The Holocaust Israel and the Jew explores the ways in which old stories and phrases relating to the stereotypical Jew are recycled and modified for new uses linking the antisemitism of the early postwar years to its enduring manifestations in today's world The Dutch case is interesting because of the apparent contrast between the Netherlands famous tradition of tolerance and the large numbers of Jews who were deported and murdered in the Second World War The book sheds light on the dark side of this so called Dutch paradox in manifestations of aversion and guilt after 1945 In this context the abusive taunt They forgot to gas you can be seen as the first radical expression of postwar antisemitism as well as an indication of how the Holocaust came to be turned against the Jews The identification of the Jew with the gas chamber spread from the streets to football stadiums and from verbal abuse to pamphlet and protest The slogan Hamas Hamas all the Jews to the gas indicates that Israel became a second marker of postwar antisemitism The chapters cover themes including soccer related antisemitism Jewish responses philosemitism antisemitism in Dutch Moroccan and Dutch Turkish communities contentious acts of remembrance the neo Nazi tradition and the legacy of Theo van Gogh The book concludes with a lengthy epilogue on the Jew in the politics of the radical right the attacks in Paris in 2015 and the refugee crisis The stereotype of the Jew appears to be transferable to other minorities

Reappraising the History of the Jews in the Netherlands Hans Blom, David J. Wertheim, Hetty Berg, Bart T.

Wallet, 2021-09-15 The two decades since the last authoritative general history of Dutch Jews was published have seen such substantial developments in historical understanding that new assessment has become an imperative This volume offers an indispensable survey from a contemporary viewpoint that reflects the new preoccupations of European historiography and allows the history of Dutch Jewry to be more integrated with that of other European Jewish histories Historians from both older and newer generations shed significant light on all eras providing fresh detail that reflects changed emphases and perspectives In addition to such traditional subjects as the Jewish community's relationship with the wider society and its internal structure its leaders and its international affiliations new topics explored include the socio economic aspects of Dutch Jewish life seen in the context of the integration of minorities more widely a reassessment of the Holocaust years and consideration of the place of Holocaust memorialization in community life and the impact of multiculturalist currents on Jews

and Jewish politics Memory studies diaspora studies postcolonial studies and digital humanities all play their part in providing the fullest possible picture This wide ranging scholarship is complemented by a generous plate section with eighty fully captioned colour illustrations Translated by David McKay **Jewish Resistance Against the Nazis** Patrick Henry, 2014-04-20 This volume puts to rest the myth that the Jews went passively to the slaughter like sheep Indeed Jews resisted in every Nazi occupied country in the forests the ghettos and the concentration camps The essays presented here consider Jewish resistance to be resistance by Jewish persons in specifically Jewish groups or by Jewish persons working within non Jewish organizations Resistance could be armed revolt flight the rescue of targeted individuals by concealment in non Jewish homes farms and institutions or by the smuggling of Jews into countries where Jews were not objects of Nazi persecution Other forms of resistance include every act that Jewish people carried out to fight against the dehumanizing agenda of the Nazis acts such as smuggling food clothing and medicine into the ghettos putting on plays reading poetry organizing orchestras and art exhibits forming schools leaving diaries and praying These attempts to remain physically intellectually culturally morally and theologically alive constituted resistance to Nazi oppression which was designed to demolish individuals destroy their soul and obliterate their desire to live **Zelfs als wij zullen verliezen** Ben Braber, 1990 Studies Jewish resistance and participation in the underground in order to examine J Presser's thesis that relatively more Jews than non Jews participated Relates Jewish resistance activities chronologically discussing protests against German anti Jewish measures acts of sabotage participation in general resistance groups providing Jews with hiding places documents money and food or routes of escape and in publication of the illegal press Assistance was also given to fellow inmates in Westerbork and the camps in Eastern Europe Notes that many Polish and German Jews were active in resistance Discusses the activities of Jews in the LO LKP and Groep 2000 in which 500 of the ca 1 000 Jewish members were killed Concludes tentatively that ca 0 5% of the Dutch 45 000 were active in resistance compared to ca 0 66% of the Jews Contains lists of members of the Jewish resistance members of the military and the merchant navy who were killed members of commando groups Jews who received an honorary resistance medal and Jews who escaped to England *Right-Wing Politics and the Rise of Antisemitism in Europe 1935-1941* Frank Bajohr, Dieter Pohl, 2019-01-02 A New Forum for International Holocaust Research European Holocaust Studies EHS publishes key international research results on the murder of the European Jews and its wider contexts This new English language yearbook primarily aims to bring together and provide higher visibility to research contributions produced across different countries and institutions It also strives to promote international exchange especially among scholars from North America Europe and Israel The EHS issues are thematic Each issue features a selection of peer reviewed research articles which offer novel perspectives on the main theme Further sections include a discussion of key documents and a selection of research project descriptions related to the overall topic as well as a literature review or essay dealing with historiographical debates on the subject *The Jew as Legitimation* David J.

Wertheim,2017-01-20 This book traces the historical phenomenon of the Jew as Legitimation Contributors discuss how Jews have been used through time to validate non Jewish beliefs The volume dissects the dilemmas and challenges this pattern has presented to Jews Throughout history Jews and Judaism have served to legitimize the beliefs of Gentiles Jews functioned as Augustine s witnesses to the truth of Christianity as Christian Kabbalist s source for Protestant truths as an argument for the enlightened claim for tolerance as the focus of modern Christian Zionist reverence and as a weapon of contemporary right wing populism against fears of Islamization This volume challenges understandings of Jewish Gentile relations offering a counter perspective to discourses of antisemitism and philosemitism Individuals and Small Groups in Jewish Resistance

to the Holocaust Ben Braber,2022-04-12 This book aims to increase our knowledge and deepen the understanding of Jewish resistance to the Holocaust by examining personal circumstances and characteristics of Jewish resistance members and the formation of small Jewish resistance groups It is a carefully researched case study which examines primary and secondary sources including evidence from interviews with resistance members and documentary evidence previously unavailable in English It uses a qualitative analysis to investigate individual and small group manifestations of Jewish resistance during the German occupation of the Netherlands between 1940 and 1945 This study contributes to historiography but its focus enables a different interpretation and displays a new view of history It is a scholarly work but also accessible for the general reader interested in this subject Een kwetsbaar centrum van de geest Peter Jan Knegt,1998 Op vrijdag 25 juni 1937 was

het in Amsterdam net Prinsjesdag Honderden uit het hele land afkomstige re nisten van het Amsterdamsch Studenten Corps werden op het Centraal Station ingehaald door in jacquet gestoken corpsleden uit Amsterdam en enkele andere universiteitssteden voor de viering van het lustrum van de universiteit In de daaropvolgende week liet de universitaire gemeenschap zich van haar meest elitaire kant zien met onder andere galavoorstellingen in Theater Carr en het Concertgebouw Vijf jaar later kon van de viering van het lustrum geen sprake meer zijn De gezelligheidsverenigingen hadden zichzelf opgeheven nadat op last van de bezetter de joodse studenten van het lidmaatschap waren uitgesloten De joodse personeelsleden waren allang ontslagen evenals verscheidene andere docenten terwijl de joodse studenten er inmiddels hun langste tijd aan de universiteit op hadden zitten De oorlog had bovendien onder het personeel en de studenten al enkele levens ge ist meer dan tweehonderd zouden nog volgen Hoewel de inhoud van onderwijs en onderzoek nauwelijks onder de bezetting te lijden had raakte door een reeks kleine en grotere incidenten en ingrepen het universitaire leven langzaam maar zeker ontregeld Na de loyaliteitsverklaring liep de universiteit in het voorjaar van 1943 bijna leeg en werd er alleen nog maar onderwijs verzorgd onder bedreiging van ontslag en deportatie Veel studenten werden in Duitsland te werk gesteld anderen raakten betrokken bij het verzet Daarnaast werd van het door al dan niet ontslagen docenten aangeboden clandestiene onderwijs op grote schaal gebruik gemaakt De clandestiene universiteit telde in 1944 zelfs meer studenten dan de offici le De naoorlogse zuivering leidde ten slotte tot de eerste grote staking van Amsterdamse studenten Zij konden niet verhinderen

dat de zuivering mislukte als middel tot het maken van een nieuwe start Toch brachten de jaren van bezetting in tenminste n opzicht een belangrijke verandering zij maakten definitief een einde aan de idylle van de universiteit als stille wijkplaats in de samenleving Lessons and Legacies VI Peter Hayes,Jeffry Diefendorf,Dagmar Herzog,Holocaust Educational Foundation,1991 In the courtroom and the classroom in popular media public policy and scholarly pursuits the Holocaust its origins its nature and its implications remains very much a matter of interest debate and controversy Arriving at a time when a new generation must come to terms with the legacy of the Holocaust or forever lose the benefit of its historical social and moral lessons this volume offers a richly varied deeply informed perspective on the practice interpretation and direction of Holocaust research now and in the future In their essays the authors an international group including eminent senior scholars as well those who represent the future of the field set the agenda for Holocaust studies in the coming years even as they give readers the means for understanding today s news and views of the Holocaust whether in court cases involving victims and perpetrators international national and corporate developments or fictional documentary and historical accounts Several of the essays such as one on nonarmed amidah or resistance and others on the role of gender in the behavior of perpetrators and victims provide innovative and potentially significant interpretive frameworks for the field of Holocaust studies Others for instance the rounding up of Jews in Italy Nazi food policy in Eastern Europe and Nazi anti Jewish scholarship emphasize the importance of new sources for reconstructing the historical record Still others including essays on the 1964 Frankfurt trial of Auschwitz guards and on the response of the Catholic Church to the question of German guilt bring a new depth and sophistication to highly charged sharply politicized topics Together these essays will inform the future of the Holocaust in scholarly research and in popular understanding
