The Humility of the Eternal Son Bruce Lindley McCormack, 2021-09-16 The Chalcedonian Definition of 451 never completely resolved one of the critical issues at the heart of Christianity the unity of the person of Christ In this eagerly awaited volume the result of deep and sustained reflection distinguished theologian Bruce Lindley McCormack examines the reasons for this philosophical and theological failure His book serves as a critical history that traces modern attempts at resolution of this problem from the nineteenth century Lutheran emphasis on Kenoticism or the self emptying of the Son in order to be receptive to the will of the Father to post Barthian efforts that evade the issue by collapsing the second person of the Trinity into the human Jesus thereby rejecting altogether the logic of the classical two natures Christology McCormack shows how New Testament Christologies both limit and authorize ontological reflection and in so doing offers a distinctively Reformed version of Kenoticism Proposing a new and bold divine ontology with a convincing basis in Christology he persuasively argues that the unity of the person is in fact guaranteed by the Son's act of taking into his being the lived existence of Jesus

Holy Spirit: God of Order Scott Aniol, Charismatic theology of the Holy Spirit has infected most of evangelicalism in ways we don't often recognize One of the primary reasons for this is a neglect in clear teaching about who the Holy Spirit is and what we should expect his normal work to be according to the Word of God The remedy to this problem then is to clearly articulate what the

Bible tells us will be the Holy Spirit's normal work This book is not a book on the doctrine of the Holy Spirit generally but rather a focused consideration of the Holy Spirit's work in history Scott Aniol progresses through each major category of the Holy Spirit's activities in Scripture assessing their role and helping you to discern that we should expect the Spirit to normally work today in ways that bring order and completion to the plan and people of God Scott Aniol PhD is Executive Vice President and Editor in chief of G3 Ministries and Professor of Pastoral Theology at Grace Bible Theological Seminary He also serves as an elder of Pray's Mill Baptist Church in Douglasville GA

Justification, Sanctification, and Union with Christ

Sherif A. Fahim, 2022-01-18 The opposition against legalism and Antinomianism is one fight that Calvin the Westminster Divines and Walter Marshall were involved in Both errors are strongly connected and we are prone to swing between these two errors Each of them leads to the other When we think that being forgiven in Christ means that we are not bound to the law we fall into Antinomianism As a reaction against Antinomianism we can go to the other extreme which is legalism In legalism we try to secure obedience by making it the condition for our salvation and hence it becomes a heavy burden The final result of this swinging is despair which leads to hatred of the law and subsequently of God The swinging between these two errors can only be broken by the gospel
