The Writing Laboratory Organization Management And Methods:

The Writing Laboratory Joyce S. Steward, Mary K. Croft, 1982-01-01 **Scholarly Publishing and Research Methods Across Disciplines** Wang, Viktor, 2018-11-09 There is no singular best method of research The differing nature of various research endeavors warrant multiple ways of generating knowledge sharing knowledge and more importantly avoiding errors More recently the dichotomy between quantitative and qualitative approaches has begun to dissolve as the integrated approach of mixed methods gains popularity *Scholarly Publishing and Research Methods Across Disciplines* is a collection of innovative findings on the methods and applications of research in scholarly publishing ranging from the analyzation of mixed methods and qualitative quantitative research to Dewey s scientific method and more Highlighting a range of topics including higher education digital divide and model development this publication applies a cross disciplinary viewpoint that will appeal to researchers graduate students academicians librarians scholars and industry leading experts around the globe seeking an understanding of the limitations and strengths in research techniques Microhistories of Composition Bruce McComiskey, 2016-04-01 Writing studies has been dominated throughout its history by grand narratives of the discipline but in this volume Bruce McComiskey begins to explore microhistory as a way to understand enrich and complicate how the field relates to its past Microhistory investigates the dialectical interaction of social history and cultural history enabling historians to examine uncommon sites objects and agents of historical significance overlooked by social history and restricted to local effects by cultural history This approach to historical scholarship is ideally suited for exploring the complexities of a discipline like composition Through an introduction and eleven chapters McComiskey and his contributors including major figures in the historical research of writing studies such as Louise Wetherbee Phelps Kelly Ritter and Neal Lerner develop focused narratives of particular significant moments or themes in disciplinary history They introduce microhistorical methodologies and illustrate their application and value for composition historians contributing to the complexity and adding momentum to the emerging trend within writing studies toward a richer reading of the field s past and future Scholars and historians of both composition and rhetoric will appreciate the fresh perspectives on institutional and disciplinary histories and larger issues of rhetorical agency and engagement enacted in writing classrooms that are found in *Microhistories of Composition* Other contributors include Cheryl E Ball Suzanne Bordelon Jacob Craig Matt Davis Douglas Eyman Brian Gogan David Gold Christine Martorana Bruce McComiskey Josh Mehler Annie S Mendenhall Kendra Mitchell Antony N Ricks David Stock Kathleen Blake Yancey Bret Zawilski and James T Zebroski Handbook of Research on Scholarly Publishing and Research Methods Wang, Viktor, 2014-12-31 For faculty to advance their careers in higher education publishing is essential A competitive marketplace strict research standards and scrupulous tenure committees are all challenges academicians face in publishing their research and achieving tenure at their institutions *The Handbook of Research on Scholarly Publishing and Research Methods* assists researchers in navigating the field of scholarly publishing through a careful analysis of

multidisciplinary research topics and recent trends in the industry With its broad practical focus this handbook is of particular use to researchers scholars professors graduate students and librarians

Landmark Essays on Writing Centers Christina Murphy, Joe Law, 2013-10-18 This collection introduces the reader to the ideas that have shaped writing center theory and practice The essays have been selected not only for the insight they offer into issues but also for their contributions to writing center scholarship These papers help to chart the legitimization of writing centers by providing both a history and an examination of the philosophies praxis and politics that have defined this emerging field They demonstrate the ways a clearer profile of the discipline has emerged from the research and reflection of writers like those represented here This volume charts the emergence of writing centers and the growing recognition of their contributions roles and importance As a nascent discipline writing centers reflect the concerns with marginality and with finding a respected place in the academy that characterize any new field of academic inquiry practice and research Concomitantly professionals in these fields seek standing within the academy and a way of defining and validating their contributions to the educational process Contemporary writing center theorists look to interdisciplinary and multidisciplinary investigations to interpret the work they do and to clarify their aims to the academy at large Their work employs a variety of philosophical perspectives ranging from sociolinguistics to psychoanalytic theory to show the complex nature and potential of writing center interactions The idea has now become the multidimensional realities of the writing center within the academy and within society as a whole What its role will be in future redefinitions of the educational process how that role will be negotiated and evaluated and how professionals will shape educational values will constitute the future landmark directions and essays on writing center theory and practice
