grow a proper beard Perhaps I shall make an exception Perhaps you are making an assumption lady sorceress Damien said dryly No she said calmly You are no innocent child Damien You know full well the Power that is raised through sex You will be my Apprentice You will share my bed And you will do whatever else I require of you He looked back at Azella just as calmly I have sworn to my wife that I would touch no other woman in that way And since I also know that the Power raised is proportional to the joy found in the doing it won't do you much good to compel me Those blue grey eyes sparkled It wasn't quite anger Nor amusement It was challenge Damien suspected that the sorceress rarely found something she wanted that she could not immediately bend to her will He suspected that was why she had wanted him in the first place Oh I won't have to force you to make love to me Damien You'll soon be begging to do so
