Grenz, 1994 The Community of God Douglas Bursch, 2017-05-19 We were created for community So why do we want to be alone The Bible tells the story of the immense power of human relationships and God's love for the church Douglas Bursch presents a timely insightful and practical theology of community He examines the relational implications of human existence sin salvation discipleship evangelism and other key biblical concepts Doug also shares unfiltered stories concerning his personal weaknesses and the relational struggles he has faced as a pastor Each chapter contains thought provoking questions that can be used by individuals pastors small groups and college classes for further in depth discussions Doug's writing cuts to the heart of why community is so valuable but so costly The Community of God A Theology of the Church From a Reluctant Pastor is an indispensable resource for creating healthy Christian community in an increasingly individualistic world Doug Bursch is one of the best thinkers of our day He artfully mixes a sound theology with a practical application in a complex combustible 21st Century culture that desperately needs a clarion voice Glenn Burris Jr President of The Foursquare Church Doug is unafraid to question the deep things of our faith but always does so as a committed believer He's interesting passionate and practical all at the same time Dr Steve Schell Senior Pastor of Northwest Church host of Life Lessons and author of Preaching Through Romans **The Kingdom of God** Christopher W. Morgan, Robert A. Peterson, 2012-11-30 The kingdom of God is a very large biblical category indeed Accordingly a comprehensive understanding of the kingdom would illuminate many aspects of theology With this in mind Bruce Waltke Robert Yarbrough Gerald Bray Clinton Arnold Gregg Allison Stephen Nichols and Anthony Bradley have

collaborated to articulate a full view of the kingdom of God across multiple disciplines One of the most important books on the kingdom since G E Ladd this volume offers a robust theology and is corroborated by the very series in which it stands Fourth in the noted Theology in Community series The Kingdom of God establishes the significance of the kingdom from the perspectives of biblical theology systematic theology history pastoral application missiology and cultural analysis Part of the Theology in Community series **God is a Community** Brian P. Gaybba, 2004 The present work offers a new synthesis of the entire spectrum of the Christian faith showing its inner unity vibrancy and relevance *The Community of Jesus* Kendell H. Easley, Christopher W. Snyder, 2010-01-28 Howard A Snyder probes the relationship between the kingdom of God and our daily experience of the church *It Takes a Church to Raise a Christian* Tod E. Bolsinger, 2004-04-01 Tod Bolsinger challenges Christians to rediscover the essential nature of God as a Triune community By doing so says Bolsinger the church will recover its vitality as a truly life transforming communion Focusing on daily living issues the book engages writers including John Calvin and Richard Foster Reclaiming a true trinitarian practical theology will allow Christians to reawaken and nourish a spirituality that is communal not merely consumerist or individualistic It will create Christian communities in which God transforms believers together into the likeness of Christ It Takes a Church to Raise a Christian is designed for pastors worship leaders evangelists and other church leaders **In-Between God** Stephen Pickard, 2011-12-28 In Between God explores three important areas for contemporary Christianity theology community and discipleship Part One inquires into the rhythms of faith as it interacts with themes of uncertainty and doubt the nature of theological discourse the task of systematic theology evangelism and the various ways in which theology is done Part Two discusses the importance of place in relation to the church and themes of innovation undecideability and new forms of monastic community Part Three addresses themes in discipleship simplicity mysticism the passions and pilgrimage A red thread connecting these essays is the character of the triune God who is the energy and life in between all things *Spirit of God* Jeffrey W. Barbeau, Beth Felker Jones, 2015-03-06 Jeffrey Barbeau and Beth Felker Jones edit thirteen essays on the topic of the Holy Spirit in biblical historical and theological perspective featuring important contributions on the current shape of global Pentecostalism Contributors include Allan Anderson Oliver Crisp Timothy George Kevin Vanhoozer Amos Yong and Geoffrey Wainwright *Revisioning, Renewing, Rediscovering the Triune Center* Derek J. Tidball, Brian S. Harris, Dr Jason S Sexton, 2014-11-10 An international cast of theologians come together in this volume to offer essays in tribute to the late Stanley J Grenz one of the leading theologians of his generation Accordingly the volume includes timely explorations in some of the most exciting areas in contemporary theology It is only fitting that these very explorations revolve around the key motifs of Grenz s theology Trinity community eschatology and the key sources from which he drew for theology s

construction Scripture tradition culture While engaging key features seen in Grenz's work some of the essays here interact with Grenz's own writings reflecting on his theological journey and his contributions to evangelical theology In these ways this volume highlights the kind of evangelical theology that so many have experienced in recent years and of which Stan Grenz was a leading proponent Revisioning Renewing Rediscovering the Triune Center then makes a significant contribution to discussions in contemporary theology while itself setting out to honor the life and work of an eminent theologian who did so much for evangelical theology

A Model for Evangelical Theology Graham McFarlane, 2020-09-15 Written by a skilled theologian with over two decades of classroom experience this introduction to evangelical theology explains how connecting to five sources of Christian theology Scripture tradition reason experience and community leads to a richer and deeper understanding of the faith Graham McFarlane calls this the evangelical quintilateral which he recommends as a helpful rubric for teaching theology This integrative model introduces students to the sources themes tasks and goals of evangelical theology making the book ideal for introductory theology courses

The Church and the Crisis of Community Theresa F. Latini, 2011 Contemporary society is in crisis its structures broken and fragmented and its people overstimulated overstressed and thirsty for true communion with the sacred and with one another Yet although more than eighty five percent of congregations in the United States conduct small group ministry too many of these groups begin with no clear sense of purpose structure or spiritual focus and end by veering away from Christian tradition and unknowingly settling for shallow versions of popular Christianity In *The Church and the Crisis of Community* Theresa Latini lays out both a theoretical groundwork and a practical guideline for successful small group ministry Examining the latest sociological research and the real life practices of small groups in six congregations she shows how well developed groups those with mission statements leadership training and solid organizational structure can be a truly effective tool in the church's work of transforming broken and shallow forms of community into life giving life sustaining relationships with God and others

A Community Called Atonement Scot McKnight, 2010-03-01 Over the centuries the church developed a number of metaphors such as penal substitution or the ransom theory to speak about Christ's death on the cross and the theological concept of the atonement Yet too often says Scot McKnight Christians have held to the supremacy of one metaphor over against the others to their detriment He argues instead that to plumb the rich theological depths of the atonement we must consider all the metaphors of atonement and ask whether they each serve a larger purpose *A Community Called Atonement* is a constructive theology that not only values the church's atonement metaphors but also asserts that the atonement fundamentally shapes the life of the Christian and of the church That is Christ identifies with humans to call us into a community that reflects God's love the church but that community then has the responsibility to offer God's love to others through missional practices of justice and fellowship living out its life together as the story of God's reconciliation Scot McKnight thus offers an accessible thought provoking theology of atonement that engages the concerns of those in the emerging church conversation and will be of

interest to all those in the church and academy who are listening in **The Witness of God** John G. Flett, 2010-04-30 The Witness of God is a constructive revision of Trinitarian missio Dei theology In it John G Flett argues that the neglect of mission as a theological locus has harmful consequences both for understanding the nature of God s connection with world and the corresponding nature of the Christian community Truly the Community Marva J. Dawn, 1997 Author educator theologian Marva Dawn looks to the twelfth chapter of the book of Romans for a blueprint for establishing the contours of community in the Christian church a biblical ideal rarely achieved in our individualistic society **The Reconciliation of Humanity in Christ** Peter Y. Hong, 2024-12-10 The Reconciliation of Humanity in Christ is essential reading for Christians who wish to lead and serve the globalized world This book is about theological engagement with globalization Although people are now living in a world in which a universal and inclusive society has emerged the church has remained powerless in uniting peoples nations and civilizations as one in Christ In order for the church to regain its credibility and confidence it must address three theological issues social justice religious pluralism and ethics and the missional method The rationale for this book is that the power of true religion becomes evident in the world when all Christians are engaging with globalization to reconcile humanity with God and with each other in preparation for the consummation of God s kingdom In response to the problems of globalization Christians can become agents of renewal for globalization by administering God s grace and peace for humanity This book will educate and equip the readers to engage with the issues of globalization in the public arena Readers will gain a biblical understanding of the church s role in fulfilling God s plan and purpose for humanity through globalization **Jesus and Community** Gerhard Lohfink, 1984-01-01 The author calls the present day church to once again be the contrast society which attracts non believers by living what it preaches and by being different without being narrowly sectarian
