Theory And Principles Of Education Jc Aggarwal:

Theory and Principles of Education J. C. Aggarwal, 1981 *Theory & Principles of Education, 13th Edition* Aggarwal J.C., 2010

Theory and Principles of Education discusses the latest trends and current educational thoughts. This thoroughly revised edition covers a wide range of issues and themes relating to the philosophical and sociological basis of education. All possible efforts have been made to include the latest trends on the theory and principles of education. *Theory and Principles Of Education* provides an exhaustive treatment of the subject in a very lucid and cogent manner to enable all students to grasp the subject matter easily. The book is essentially student centered and examination oriented. It is primarily written for the students of B Ed, M Ed, M Phil and MA Education. It will be equally useful in the Middle East and also the South East Asian countries because of its authoritative coverage of the subject. By virtue of its extensive coverage and exposition of the subject it will be very useful to students preparing for teacher training courses. It should also serve as a reliable handbook for in service teachers. The only book of its kind on the subject that discusses the latest educational trends and covers a wide range of issues and themes relating to the philosophical and sociological basis of education.

A Comprehensive Study of Education Ravi S. Samuel, 2011

Intended for the undergraduate and postgraduate students of education, this book is an earnest endeavour to provide the readers with a thorough understanding of the various concepts of education. The exhaustive treatment of the topics in a cogent manner will enable the students to grasp the subject in an easy to understand manner. Organized in seven units, the chapters encompass the different pedagogical features of education, addressing some of the broad areas of concern and upholding the intrinsic details of education in the emerging society. The various education commissions, their roles in spreading education in the present age and the remedies to correct their laws are also covered in great details. This textbook can also be useful to the teachers and research scholars as a reference material.

PHILOSOPHICAL AND SOCIOLOGICAL BASES OF EDUCATION, SECOND EDITION RAVI, S. SAMUEL, 2021-01-01

Education and philosophy go hand in hand. It is through the power of knowledge our philosophers laid a foundation of educational theories and set a stepping stone for the modern day education system and educational institutions. This book gives a comprehensive account of the fundamental theories laid by the philosophers and the society's role in shaping them up. The special feature of the book is that it teaches and explains more than what an ordinary teacher does in a limited time. It stresses on the understanding and practice of the concepts learnt rather than mere memorisation.

NEW TO THE SECOND EDITION

Now the book comprises 40 chapters out of which 15 have been newly introduced and are tactically placed under the three units of the book.

Unit 1: Philosophy and Education Realism, Humanism, Awakenism, Existentialism, Education for 21st century, Indian Philosophy and Education, Philosophy and Branches of Knowledge.

Unit 2: Eastern and Western Philosophers Sarvepalli Radhakrishnan, Jiddu Krishnamurty, Pestalozzi, Maria Montessori.

Unit 3: Education and Society Education for Peace, Education for New Social Order, Education for Human Rights and Education for Modernisation. Primarily designed for the

undergraduate and postgraduate students of education the book is equally beneficial for the teaching faculties trainees research scholars and those who are preparing for competitive examinations in education
