

Penrose (1959): The Theory of the Growth of the Firm

- ◆ Penrose (1959) is concerned with the growth of firms and only incidentally with their size.
- ◆ The focus is on an *internal process* of development leading to cumulative movements of the firm in a particular direction.
- ◆ The emphasis is on the internal resources of a firm --- on the productive services available to a firm from its own resources, particularly the productive services available from management with experience within the firm.
