Tudors and Stuarts on Film Susan Doran, Thomas Freeman, 2009-03 Film can be an invaluable teaching resource Tudors and Stuarts on Film provides analyses of films about the Tudor and Stuart period from leading historians The accuracy of each film is assessed and they are also placed within the context of the period in which they were made and the influence they have had on popular conceptions of early modern England **History, Fiction, and The Tudors** William B. Robison, 2017-02-11 This is the first book length study of the award winning historical drama The Tudors In this volume twenty distinguished scholars separate documented history plausible invention and outright fantasy in a lively series of scholarly but accessible and engaging essays The contributors explore topics including Henry VIII Catherine of Aragon Anne Boleyn his other wives and family gender and sex kingship the court religion and entertainments **The Many Faces of Anne Boleyn** Helene Harrison, 2025-09-30 Explores Anne Boleyn s life and legacy through 500 years of images perceptions and historical interpretations Mistress Queen Reformer Traitor Icon This book is not like any others you might have read on Anne Boleyn It is not a biography of the life of Henry VIII s second wife and queen What this book does is to examine Anne Boleyn through images and perceptions of her Through documents letters images propaganda films novels and historical biographies this book explores Anne Boleyn through more than 500 years of history Explore how perceptions of her have changed and developed over time Whether she is seen as a mistress a queen a mother a reformer a traitor or a tragic heroine Anne Boleyn continues to inspire so much exploration and even new discoveries today See Anne through the eyes of people who knew her loved her hated her and studied her In the present day Anne Boleyn has quite a devoted scholarship honed through perceptions built over the last half a millennium Her life reign and tragic death at the hands of the man who tore England apart to be with her have made Anne Boleyn one of the most divisive and exciting figures in English history **The Middle Ages on Television** Meriem Pagès, Karolyn Kinane, 2015-04-07 The 21st century has seen a resurgence of popular interest in the Middle Ages Television in particular has presented a wide and diverse array of medieval offerings Yet there exists little scholarship on television medievalism This collection fills the gap with 10 new essays focusing on the depiction of the Middle Ages in popular culture and questioning the role of television in shaping our ideas about past and present The contributors emphasize the need for scholars of medievalism to pay attention to its manifestations on the small screen The essays cover quite a range of topics including genre gender and sexuality The series covered are Game of Thrones Merlin Full Metal Jousting Joan of Arcadia Tudors Camelot and Mists of Avalon Instructors considering this book for use in a course may request an examination copy here *Mid-Tudor Queenship and Memory* Valerie Schutte, Jessica S. Hower, 2023-09-19 This book explores mis representations of two female claimants to the Tudor throne Lady Jane Grey and Mary I of England It places Jane s attempted accession and Mary I s successful accession and reign in comparative perspective and illustrates how the two are fundamentally linked to one another and to broader questions of female kingship precedent and legitimacy

Through ten original essays this book considers the nature and meaning of mid Tudor queenship as it took shape functioned and was construed in the sixteenth century as well as its memory down to the twenty first in literary musical artistic theatrical and other cultural forms Offering unique comparative insights into Jane and Mary this volume is a key resource for researchers and students interested in the Tudor period queenship and historical memory

Premodern Rulers and Postmodern Viewers Janice North, Karl C. Alvestad, Elena Woodacre, 2018-02-01 Pop culture portrayals of medieval and early modern monarchs are rife with tension between authenticity and modern mores producing anachronisms such as a feminist Queen Isabel in RTVE's Isabel and a lesbian Queen Christina in The Girl King This book examines these anachronisms as a dialogue between premodern and postmodern ideas about gender and sexuality raising questions of intertemporality the interpretation of history and the dangers of presentism Covering a range of famous and lesser known European monarchs on screen from Elizabeth I to Muhammad XII of Granada this book addresses how the lives of powerful women and men have been mythologized in order to appeal to today's audiences The contributors interrogate exactly what is at stake in these portrayals namely our understanding of premodern rulers the gender and sexual ideologies they navigated and those that we navigate today

Muses, Mistresses and Mates Anna Suwalska KołECKa, Izabella Penier, 2015-06-18 The Muse is one of the oldest archetypes in human civilization and in the past was a representation of an idealized woman blessed with beauty and creativity and exerting irresistible attraction for many a man Nowadays in the wake
