Return To Origin Chenerah "Kecar" Gajaze,2023-07-02 After the human kind is successfully repelled peace slowly returns to AlphaVul The aged shepherd dog Chenerah who avenges the death of his friend Amarok resigns and regrets the outcome of his companions story After several years the dog meets the young wolf king Rexion who gives him the decisive flash of inspiration which should make it possible to change time at its origin The journey takes Chenerah to Gaja ancient Egypt over 2000 years into the past The reason for the creation of his world his being and his connection to the Architect the builder of his history is revealed to him and thus also to the author in some fundamental perceptions The remaining riddles of the story unravel and order the mind of the

author who does not let his protagonist out of his sight and stands in his way changing his own book The shepherd goes on a mission that could not be more serious and significant for him just to realize that time is something that repairs and orders itself In final encounters with the ancient Egyptian god Yanepu Anubis and his Gajan creator Chenerah fulfills the destiny predetermined for him since the beginning makes peace in the spirit of the creator and closes the circle which contains the origin and the end of his world equally **Arameria Chenerah "Kecar" Gajaze,2023-05-02** To escape a world in which he believes he cannot find love and appreciation a young man takes refuge in his fantasies In the course of his development he creates fictitious friends in his mind who live in a ruined world and also strive for fulfilment To be close to these beings and show them his deep feelings the man confides in someone and his last revelation before parting emerges in which he sends Joliyad on a journey to the truth of both their lives Without intending to the dying man throws Joliyad s mind and home into chaos and struggles for control over the events he allows to unfold with the telling of his story His protagonist experiences social and emotional upheavals and discovers his affection for his childhood friend Amarok who is a member of the race with which Joliyad s nation is at war Together they want to change the situation in their world because their love for each other is stronger than the sheer hatred that divides their two species **Durance Vile Daniel Shick,2024** [Dragon Wings - Deadly Tournament](#) **Danniel Paraiso Da Silva,2024-07-13** In ancient times ten kingdoms coexisted on a vast continent divided between the luminous Kingdom of Light and the dark Kingdom of Shadows In the Kingdom of Light the Order of Dragons ruled with their powerful empire made up of the kingdoms of Asteria Drakoria Lumeria Valtor and Sailon Each kingdom was distinguished by its unique characteristics and protected by the skilled Order of Dragons whose members possessed the rare gift of communicating with and controlling dragons Meanwhile in the enigmatic Kingdom of Shadows resided Noxara Umbrov nia Tenebralia Sombrefell and Crepus enveloped by a deep magic Each of these kingdoms was ruled by the mysterious Dark Order made up of wizards sorcerers and skilled warriors who dominated dark dragons But a forbidden romance blossoms between Prince Fargom of Valtor and Princess Isabelly of Tenebralia resulting in Fargom s execution without a fair trial for an alleged violation of an ancient Law of the Ten Kingdoms which prohibits relations between individuals from rival kingdoms To avoid an imminent war the Kingdoms of Tenebralia of King Lyron of the Kingdom of Shadows and the Kingdom of Valtor of Queen Selena of the Kingdom of Light decide to resolve their conflict through an ancient tournament in the ancient Arena of Fire where each Guardian and Dragon can face each other in battle The winner will not only determine the fate of the kingdoms involved but also the punishment for their actions **ANNELIES HAPPY and GUINEA PIG WILLI** Jean-George Charbonnier,2022-07-07 According to her Sammy nickname guinea pig Willi lives Lea nicknamed Anneliese Happy inmidst of all her cuddly toys under the self proclaimed king HD HD has forgotten what day it was his birthday That s why he celebrates this day in day out If Lea forgets this time HD speaks of a bottomless mess even an insult to majesty Then HD threatens to have her beheaded but has no hangman to do it And so it remains an empty threat

because otherwise HD s only people Lea would be headless and useless for HD Lea is surrounded by a flock of sheep which always want to eat meadows and drive through tunnels The sheep include the beautiful Marilyn a cuddly sheep named Gerlinde Her little thing and last but not least a black sheep named Kamikaze Kamikaze is the only one allowed to sit next to Lea on the passenger seat This is essential because Lea has an excavator driver s license but not a tractor driver s license That s why she always drives straight ahead and avoids curves Lea actually wants to become an animal keeper later because she loves animals more than anything To do this she must be able to read and write perfectly But she only learns that in school But school sucks Only the long break is absolutely cool where Lea meets her Sammy Timmy and his buddies are always teasing the little girls but Lea fights back So it comes back to solid fights between them again and again This usually ends up with the headmaster or with the school nurse for further treatment Leo's Triumph Julius Lorenz,2024-05-02 The world of the Zodiacs is threatened by a force that has not been present for the last 1000 years Leo is the only one who can save it He needs to be as brave as ever and show the universe what he is made of This book is perfect for all of our little lions but also suited for every other zodiac child in our realm that wants to get his fellows to know better and dive into a world of adventure friendship and mystery *Labyrinth of Vengeance* Yeong Hwan Choi,2024 **Divine Noblelady's Mystique Volume 1** Meng Xixi,2023-07-19 A formidable woman warrior faced adversity her fortunes turned unexpectedly and she found herself recast as the most blessed Cautious lady in history Determined to assert herself and make a new start she inadvertently provoked the attention of the most formidable individual in court Prime minister Do you wish to become my bewitching princess my dear Cautious lady How could I dare to refuse One of the high points of this book is its intriguing character conception a general s daughter a prince s strategist a king The heroine navigates her way to survival in ancient times using modern thinking eventually becoming a woman strategist In the process she recognizes her wisdom fosters a spirit of gender equality It underscores that our heroine remains unbowed and unyielding unencumbered by feudal etiquette her authentic self shining through In terms of plot both the male and female protagonists bear the weight of restoring their country and seeking revenge Their partnership as a warrior and a cunning strategist is persuasive The resistance they face from royal families of different nations further amplifies the tribulations of their destiny In the end they attain their rightful positions and become a couple bringing the tale to a satisfying conclusion
