

WATER RATE CHALLENGE

The background of the entire image is a photograph of a body of water, possibly a pond or a slow-moving river. A vertical pole or structure is visible in the center, creating a vertical line of reflection. The water's surface is covered in numerous small, concentric ripples that catch the light, giving it a textured appearance. The overall color palette is dominated by various shades of green and blue, with the reflections on the water adding depth and contrast.
