Adopting Mission Command Donald Vandergriff, 2019-09-15 In September 2010 James G Pierce a retired U S Army colonel with the Strategic Studies Institute at the U S Army War College in Carlisle Barracks Pennsylvania published a study on Army organizational culture Pierce postulated that the ability of a professional organization to develop future leaders in a manner that perpetuates readiness to cope with future environmental and internal uncertainty depends on organizational culture He found that today s U S Army leadership may be inadequately prepared to lead the profession toward future success The need to prepare for future success dovetails with the use of the concepts of mission command This

book offers up a set of recommendations based on those mission command concepts for adopting a superior command culture through education and training Donald E Vandergriff believes by implementing these recommendations across the Army that other necessary and long awaited reforms will take place *British Books* ,1914 *The Publishers' Circular and Booksellers' Record* ,1914 **The Publisher** ,1914 *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1904 **Books in Print Supplement** ,1988
