The Inferior: The Bone World Trilogy, Book 1 Peadar Ó Guilín, 2020-12-11 Read this book and remember why Science Fiction lit your fire in the first place Guy Haley in *DeathRay STOPMOUTH AND HIS* family know of no other life than the daily battle to survive To live they must hunt rival species or negotiate flesh trade with those who crave meat of the freshest human kind It is a savage desperate existence And for Stopmouth considered slowwitted hunt fodder by his tribe the future looks especially bleak But then on the day he is callously betrayed by his brother a strange and beautiful woman falls from the sky It is a moment that will change his destiny and that of all humanity forever With echoes of Tarzan Conan the Barbarian and The Truman Show Peadar Guilín's debut is an action and idea packed blockbuster that will challenge your perceptions of humanity and leave you hungry for more Partakers of the Divine Nature Michael J. Christensen, Jeffery A. Wittung, 2008-02 Scholars from around the world offer a comprehensive ecumenical survey of the history and development of deification **The Runaway Boy (Chandal Jibon Trilogy - Book 1)** Manoranjan Byapari, 2024-07-02 About the Book FROM THE WINNER OF THE HINDU PRIZE 2018 AND THE SHAKTI BHATT PRIZE 2022 This powerful trilogy of semi autobiographical novels begins in East Pakistan It tells the story of little Jibon who arrives at a refugee camp in West Bengal in the arms of his Dalit parents escaping from the Muslim majority nation He grows up perpetually hungry for hot rice in the camp where the treatment meted out to dispossessed families like his is deplorable When he is barely thirteen Jibon runs away to Calcutta because he has heard that money flies in the air in the big city His wildly innocent imagination leads him to believe that he can go out into the world find work and bring back food for his starving siblings and clothes for his mother whose only sari is in tatters And once he leaves home through the travels of this starving bewildered but gritty boy we witness a newly independent India as it grapples with communalism and grave disparities of all kinds British Books, 1898

The Literary World, 1889 **The Mandela Effect Trilogy** Eric Blue, 2020-05-20 Ever wondered about how it would be to go back in time and change history The satirical novel *The Mandela Effect* gives an insight into how a Rainbow Nation South Africa of 2010 celebrated the hosting of the FIFA 2010 World Cup Of course it wasn't always like that When a gas pipe blast in a local restaurant takes law student Lindiwe Buthelezi out of her comfort zone and back to the year 1987 when apartheid racial segregation was at its worst she soon realises the important role that she has to play in following in her late mother's footsteps Lindiwe gets to experience the bad of Black and White on all fronts of life before getting to the blessings African National Congress icon Nelson Mandela is believed to be locked away on Robben Island for failing to renounce violence against the state While some hard line left wingers felt that Mandela may sell out to the apartheid government several right wing members believed that eliminating Mandela would send a strong message to the so called communist liberation struggle Add in the African American duo of CNN political reporter Louise Burrell and Washington D C based human rights lawyer Pearce Ellison and the race is on to plot a smooth way to democracy for the New South Africa About

Author Eric Blue is a modern era storyteller who sees things differently than most writers do He spots the story behind the story and his mind works on the what could have been scenario He focuses on the mirror image to give the readers an in depth look at how life could have been His work may be fiction but it also could have been today s headline news Eric s writing is built on a passion to boldly go where other writers seldom thing about going Check his website <https://ericbluefor.com> for more works from him *Publishers' circular and booksellers' record* ,1898 **The Spectator** ,1850 A weekly review of politics literature theology and art **The Kingless Crown (Kingdom of the White Sea Trilogy)** Sarah M.

Exist Fergus McGinley,2025-02-01 Welcome to The God Who Doesn t Exist Drawing on insights from parenting education theoretical physics evolutionary philosophy psychology comparative religion biblical exegesis and political theory an eclectic and original approach the author playfully describes as anti theology The amazing story unfolds of two Gods one who doesn t exist whom we created ourselves and one who does exist whom we didn t create The first of these gods is the familiar God of human history the God or gods we believed in just about forever then very recently dumped An unpredictable and judgmental God who seemed occasionally to do right by us but more often went AWOL just when we needed them the most We lived in constant fear of offending them and were terrified that if we didn t play our cards right in this life they d consign us to hell in a handcart in the next Good riddance to the God who doesn t exist The God who exists however is a very different god to the one who doesn t Their primary quality seems to be something vastly more urgent for the human race than providing daily
