Personal experiences in the Boxer Rebellion in China and helping to feed Belgium during World War I coupled with his early Quaker nurture that sensitized him to war related tragedies These essays illustrate the varied ways in which Hoover expressed and implemented his commitment to world peace as humanitarian advisor cabinet member president citizen and writer No other president was so consistent and thoughtful on matters of world peace *The Assault on International Law* Jens David Ohlin,2015 Why comply with international law when there is no world government to enforce it Jens David Ohlin provides an alternate vision of international law based on a truly innovative theory of human rationality Rationality requires that agents follow through on their plans even when faced with opportunities for defection Asian Yearbook of International Law, Volume 7 (1997) Sik Ko Swan,M.C.W.
