The Works of Josephus Flavius Josephus, 1980 *All Things in Common* Roman A. Montero, 2017-04-25 *All Things in Common* gets behind the communism of the apostles passages in Acts 2 42 47 and 4 32 37 using the anthropological categories of social relationship espoused by David Graeber and other anthropologists Looking at sources ranging from the Qumran scrolls to the North African apologist Tertullian to the Roman satirist Lucian *All Things in Common* reconstructs the economic practices of the early Christians and argues that what is described in Acts 2 42 47 and 4 32 37 is a long term widespread set of practices that were taken seriously by the early Christians and that differentiated them significantly from the wider world This book takes into account Judean and Hellenistic parallels to the early Christian community of goods as well as the socioeconomic context from which it came and traces its origins back to the very teachings of Jesus and his declaration of the Jubilee This book will be of interest to anyone interested in Christian history and especially the socioeconomic aspects of early Christianity as well as anyone interested in Christian ethics and New Testament studies It would also be of interest to anyone interested in possible alternatives to the ideology of capitalism

An Old Testament Theology Bruce K. Waltke, 2011-04-19 The Old Testament is more than a religious history of the nation of Israel It is more than a portrait gallery of heroes of the faith It is even more than a theological and prophetic backdrop to the New Testament Beyond these the Old Testament is inspired revelation of the very nature character and works of God As renowned Old Testament scholar Bruce Waltke writes in the preface of this book the Old Testament s every sentence is fraught with theology worthy of reflection This book is the result of decades of reflection informed by an extensive knowledge of the Hebrew language the best of critical scholarship a deep understanding of both the content and spirit of the Old Testament and a thoroughly evangelical conviction Taking a narrative chronological approach to the text Waltke employs rhetorical criticism to illuminate the theologies of the biblical

narrators Through careful study he shows that the unifying theme of the Old Testament is the breaking in of the kingdom of God This theme helps the reader better understand not only the Old Testament but also the New Testament the continuity of the entire Bible and ultimately God himself *Jesus's Manifesto* Roman A. Montero,2019-04-24 *Jesus's Manifesto* The Sermon on the Plain is a historical analysis and exegesis of the Sermon on the Plain found in Luke 6 20 49 Going into the historical and literary context of the Sermon on the Plain it examines how the message fits into the world of Jesus and his audience *Jesus's Manifesto* demonstrates how the Sermon's ethical injunctions and eschatological message interacted with contemporary ideologies and how these injunctions were meant to be taken as normative commandments by Jesus in light of his eschatological message Many have attempted to dampen the ethical teachings of Jesus by trying to relativize them or by trying to make them compatible with the wider culture and the dominant ideologies however when understood in its historical context the Sermon's message was not only incompatible with the wider culture and the dominant ideologies but it stood in opposition to them *Jesus's Manifesto* provides the necessary historical and anthropological tools to fully appreciate the profound and seemingly radical message of the Sermon of the Plain **Angels: A Very Short Introduction** David Albert Jones,2011-10-27 What are angels Where were they first encountered Can we distinguish angels from gods fairies ghosts and aliens And why do they remain so popular This Very Short Introduction investigates stories and speculations about angels in religions old and new in art literature film and the popular imagination Bible Review ,1992
