personal record book is the companion to a supervised homeoprophylaxis program Programs must be supervised and administered by a qualified practitioner *More Harm than Good?* Edzard Ernst, Kevin Smith,2018-01-11 This book reveals

the numerous ways in which moral ethical and legal principles are being violated by those who provide recommend or sell complementary and alternative medicine CAM The book analyses both academic literature and internet sources that promote CAM Additionally the book presents a number of brief scenarios both hypothetical and real life about individuals who use CAM or who fall prey to ethically dubious CAM practitioners The events and conundrums described in these scenarios could happen to almost anyone Professor emeritus of complementary medicine Edzard Ernst together with bioethicist Kevin Smith provide a thorough and authoritative ethical analysis of a range of CAM modalities including acupuncture chiropractic herbalism and homeopathy This book could and should interest all medical professionals who have contact to complementary medicine and will be an invaluable reference for patients deliberating which course of treatment to adopt **Germes,**

Biological Warfare, Vaccinations Gary Null,2003-01-07 In response to deepening concerns of the threat of germ warfare and bioterrorism *Germes Biological Warfare Vaccinations What You Need to Know* is the first book to discuss traditional methods of combating germ warfare while also offering simple natural alternative approaches to preventing and treating diseases caused by biological agents *Germes Biological Warfare Vaccinations* includes a historical review of the use of biological weapons from 400 BC to the present day a list of bacteria viruses fungi and toxins considered to be biological weapons including anthrax botulism and ebola viruses along with definitions and descriptions of the various agents symptoms and treatment options information on how to detoxify deacidify and de stress as well as on natural ways to boost your immune system including the use of herbs vitamins minerals and nutrients o a discussion of traditional versus alternative approaches focusing on the safety and effectiveness of each a resource guide listing key organizations including Web sites and support groups that offer information about natural prevention and treatment of infectious diseases *United States Medical Investigator* ,1884 *The Natural Medicine Guide to Autism* Stephanie Marohn,2013-01-01 As autism rates in children continue to rise the latest studies suggest anywhere from 1 in 50 to 1 in 100 American children is autistic parents are scrambling to find effective treatment methods *The Natural Medicine Guide to Autism* offers answers by exploring a

range of effective treatment options and the possibility of a positive outcome via natural medicine therapies The book covers the basics of autism what it is and what causes it and the factors that are often involved in the disorder heavy metal toxicity nutritional deficiencies imbalances food allergies digestive problems and fungal overgrowth viruses or viral overload immune dysfunction problems in the birthing process energetic legacies from unresolved family issues in previous generations and vaccines It also covers a range of natural medicine treatments including elimination diets listening and learning skills nutritional supplements to correct imbalances cranial osteopathy to reverse birth trauma and many more A chapter is also devoted to the deeper question of what makes a child susceptible to autism Included in this discussion is the work of William J Walsch PhD whose research may well have pinpointed the genetic component of autism that has previously eluded scientific inquiry

Public Health in the Age of Anxiety Centre for Studies in Religion & Society, 2017-06-30 Controversies and scepticism surrounding vaccinations though not new have increasingly come to the fore as more individuals decide not to inoculate themselves or their children for cultural religious or other reasons Their personal decisions put the rights of the individual on a collision course with public and community safety Public Health in the Age of Anxiety enhances both the public and scholarly understanding of the motivations behind vaccine hesitancy in Canada The volume brings into conversation people working within such fields as philosophy medicine epidemiology history nursing anthropology public policy and religious studies The contributors critically analyse issues surrounding vaccine safety the arguments against vaccines the scale of anti vaccination sentiment public dissemination of medical research and the effect of private beliefs on individual decision making and public health These essays model and encourage the type of productive engagement that is necessary to clarify the value of vaccines and reduce the tension between pro and anti vaccination groups *Mind, Make-Believe and Medicine* Richard Rasker, 2023-05-09 This book delves into the world of alternative medicine and related phenomena in several different ways both from a scientific perspective and the perspective of supporters and practitioners of those phenomena An attempt is made to explain not only what those perspectives are but also why they are often so radically different Why do lots of people believe things that other people don't To find answers we don't just examine the things people believe in or not but also human traits in thinking reasoning and belief
