AIDAN NICHOLS, OP

There Is No Rose The Mariology Of The Catholic Church

J Dewey

There Is No Rose The Mariology Of The Catholic Church:

There Is No Rose Aidan Nichols,2015-02-01 This study contributes to the revival of a more full blooded Marian teaching and attempts to take the path set by ressourcement theology in recovering the robust voice of witness to Mary Aidan Nichols OP works through the biblical patristic and medieval sources and introduces readers to the robust scriptural and theological bases for the Church s celebration of Mary He argues for the crucial relevance of Mary in the theological articulation of the gospel the celebration and practice of the liturgy and the sacramental life of the Church

Jesus and the Jewish Roots of Mary Brant James Pitre,2018-10-30 Brant Pitre is one of the most compelling theological writers on the scene today Bishop Robert Barron Bestselling author of Jesus and the Jewish Roots of the Eucharist casts new light on the Virgin Mary illuminating her role in the Old and New Testaments Are Catholic teachings on Mary really biblical Or are they the traditions of men Should she be called the Mother of God or just the mother of Jesus Did she actually remain a virgin her whole life or do the brothers of Jesus refer to her other children By praying to Mary are Catholics worshipping her And what does Mary have to do with the quest to understand Jesus In Jesus and the Jewish Roots of Mary Dr Pitre takes readers step by step from the Garden of Eden to the Book of Revelation to reveal how deeply biblical Catholic beliefs about Mary really are Dr Pitre uses the Old Testament and Ancient Judaism to unlock how the Bible itself teaches that Mary is in fact the new Eve the Mother of God the Queen of Heaven and Earth and the new Ark of the Covenant

The Oxford Handbook of Mary Chris Maunder,2019-08-07 The Oxford Handbook of Mary offers an interdisciplinary guide to Marian Studies including chapters on textual literary and media analysis theology Church history art history studies on devotion in a variety of forms cultural history folk tradition gender analysis apparitions and apocalypticism Featuring contributions from a distinguished group of international scholars the Handbook looks at both Eastern and Western perspectives and attempts to correct imbalance in previous books on Mary towards the West The volume also considers Mary in Islam and pilgrimages shared by Christian Muslim and Jewish adherents While Mary can be a source of theological disagreement this authoritative collection shows Mary s rich potential for inter faith and inter denominational dialogue and shared experience It covers a diverse number of topics that show how Mary and Mariology are articulated within ecclesiastical contexts but also on their margins in popular devotion Newly commissioned essays describe some of the central ideas of Christian Marian thought while also challenging popularly held notions This invaluable reference for students and scholars illustrates the current state of play in Marian Studies as it is done across the world

Eve Was Named an Apostle Daniel R. Schneider,2023-03-28 This book investigates the movement of the Eve parallelism along the chain of tradition focusing primarily upon the female characters of the Gospel of John The principal aim is to explore their interrelationship with the mother of Jesus who in the developed ecclesial tradition is eventually given the title New Eve Accordingly this work examines the motif of woman in the Fourth Gospel by probing the use of the nuptial metaphor where female narrative characters are presented both as idealized

disciples and fictive brides of the divine Bridegroom By means of a common narrative critical approach this book then engages the thought of Hippolytus of Rome as found in his Commentary on the Song of Songs Specifically it explores how his focus upon the myrrophores is an expansion of the Johannine tradition and one in which the nuptial metaphor takes on an ecclesial significance By presenting the primordial garden in a narrative climax whereby a symbolic recapitulation occurs in the resurrection garden Hippolytus shifts the Eve parallelism from the mother of Jesus to the Magdalene This in turn is early evidence of a confluence of understanding whereby she is not only disciple but also both Eve and apostola apostolorum
