Turkish Foreign Policy Since The Cold War:

Suits and Uniforms Philip Robins, 2003 **Turkish Foreign Policy Since 1774** William M. Hale, 2013 This revised and updated version of William Hale's *Turkish Foreign Policy 1774-2000* offers a comprehensive and analytical survey of Turkish foreign policy since the last quarter of the eighteenth century when the Turks' relations with the rest of the world entered their most critical phase. In recent years Turkey's international role has changed and expanded dramatically and the new edition revisits the chapters and topics covered in light of these changes. Drawing on newly available information and ideas, the author carefully alters the earlier historical narrative while preserving the clarity and accessibility of the original. Combining the long historical perspective with a detailed survey and analysis of the most recent developments, this book fills a clear gap in the literature on Turkey's modern history. For readers with a broader interest in international history, it also offers a crucial example of how a medium-sized power has acted in the international environment. Suits and Uniforms William Richard Mead, Philip Robins, 2003 This is a personal memoir which follows the author's idiosyncratic but admired *The Experience of Finland*. It is dedicated to Anglo-Norse friends and is a celebration of more than 50 years of Norwegian experiences. **Turkish Foreign Policy in Post Cold War Era** İdris Bal, 2004 With the end of Cold War discipline, the world has entered a new era. Parameters have changed, new handicaps as well as new opportunities have been created for countries. Turkey, as a neighbor of former USSR, a member of NATO and located at the center of a sensitive region covered by Caucasus, Balkans and Middle East, has been affected by the end of Cold War radically. Turkey has lost some of her bargaining cards in the new era and therefore has needed new arguments. This need encouraged Turkey to take active steps in Post Cold War era. This book analyzes Turkey's relations with US, EU, Balkans, Middle East, Caucasus, Central Asia, Russia, China and Japan. At the same time, effects of economic crises and domestic developments on foreign policy, Turkish model in Turkish foreign policy, water conflict and Kurdish problem are analyzed as well. To conclude, it is possible to argue that although Turkey lost some of her bargaining cards in Post Cold War era, new developments pushed Turkey to the center of world politics rather than to periphery. Contributors: Meliha Benli, Altunışık Deniz, İke Aribogdan, H. Seyin Bağcı, İdris Bal, Zeyno Baran, Fulya Kıp, Barnard Erol Bulut, İbrahim S. Canbolat, Saziye Gazioglu, Ramazan G. Zengin, Saban Kardas, H. B. İnter Olcay, Cengiz Okman, Henry E. Paniev, Victor Panin, Dirk Rohtus, Faruk S. Nmezoglu, G. İ. Turan, İlter Turan, Mustafa T. Rkes, Nasuh Uslu.

Turkish Foreign Policy Since the Cold War Philip Robins, 2002 Turkish Foreign Policy in an Age of Uncertainty F. Stephen Larrabee, Ian O. Lesser, 2003-01-14 The authors describe the challenges and opportunities facing Turkey in the international environment during a time of extraordinary flux. Special emphasis is given to the strategic and security issues facing Turkey, including a number of new issues posed by the terrorist attacks of September 2001 and the subsequent international response. They conclude by offering some prognostications regarding the country's future and their implications on Turkey's western partners. *Turkish Foreign Policy in the Post-cold War Period* Nasuh Uslu, 2004 The framework of

Turkish foreign policy The defense aspect of Turkish foreign policy The Western connection of Turkish foreign policy The Eastern connection of Turkish foreign policy The Middle Eastern connection of Turkish foreign policy The Greek and Balkan connection of Turkish foreign policy The general appraisal of Turkish foreign policy Conclusion the direction of Turkish foreign policy

Turkish Foreign Policy, 1943-1945 Edward Weisband, 2015-03-08 As it became evident that the Allies were winning World War II Turkish policy makers struggled to achieve their objectives in the shifting circumstances of wartime diplomacy Edward Weisband's detailed description of Turkish foreign policy from 1943 to 1945 reveals that it was complicated by the fact that its two principal aims dictated contradictory positions The first aim was the priority of peace over expansionism this implied a noninterventionist policy On the other hand the belief that the Soviet Union represented the primary threat to the security of the Republic often made intervention to contain Russia seem necessary for national defense Turkish officials became determined to influence the postwar settlement towards an equilibrium among the great powers that would limit Soviet expansionism which the Turks assumed they could not do alone Consequently they were among the first to envision the contours of the Cold War After outlining the historical origins of the ideology that lay behind Turkish diplomacy the first part of the book concentrates on the policy making process in Ankara and assesses the relative influence of individual leaders and institutions The second part analyzes both Turkey's responses to the exigencies of war and the general nature of small state diplomacy Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Public Opinion and International Intervention Richard Sobel, Peter A. Furia, Bethany Barratt, 2012-05 Rarely has a foreign policy event spawned such interest in international public opinion as has the Iraq War What does this war indicate about the extent to which public opinion influences foreign policy leaders Have leaders' decisions about participating in the Iraq Coalition reflected the willingness of their citizens to do so Are leaders of some countries more responsive to public opinion than others The editors address these questions using select case studies that explore the extent to which leaders and people in democracies that are capable of participating in the Iraq War Coalition have willingly done so Each chapter is based on the premise that democracies are most responsive to public opinion and that the wealthiest democracies would be most capable though not necessarily most willing to participate in the Iraq War The editors have assembled contributions that build on the successful model of Richard Sobel's International Public Opinion and the Bosnia Crisis In this Iraq volume leading scholars debate the role of public opinion in particular countries' decisions to participate or not in an international conflict making it an essential text for any foreign policy course

The Nation or the Ummah Birol Başkan, Ömer Taşpınar, 2021-12-01 Turkey

s enthusiastic embrace of the Arab Spring set in motion a dynamic that fundamentally altered its relations with the United States Russia Qatar Egypt Saudi Arabia the United Arab Emirates and Iran and transformed Turkey from a soft power to a hard power in the tangled geopolitics of the Middle East Birol Ba kan and mer Ta p nar argue that the ruling Justice and Development Party s AKP Islamist background played a significant role in the country s decision to embrace the uprisings and the subsequent foreign policy direction the country has pursued They demonstrate that religious ideology is endogenous to shaping and in turn being shaped by Turkey s various engagements in the Middle East The Nation or the Ummah emphasizes that while Islamist religious ideology does not provide specific policy prescriptions it does shape the way the ruling elite sees and interprets the context and the structural boundaries they operate within
