Solomon, Kathleen Marie Higgins, 1991 Solomon and Higgins have chosen excerpts from the great philosophical texts and combined them with the most exciting new work of philosophers writing today It examines the mysteries of erotic love from a variety of philosophical perspectives and provides an impressive display of wisdom that the world's best thinkers have brought and continue to bring to the study of love      The Blind Girl: An Erotic Romance ( Lesbian Erotica ) Victoria Rush, 2024-01-26 They say your other senses are heightened when another one is compromised When Jade saves a pretty blind girl from a dangerous traffic accident the girl invites Jade for coffee to thank her for her kind deed Before long the two women become increasingly attracted to one another and the girl invites Jade back to her apartment to continue their conversation It doesn't take long for the two of them to fall into bed together where Jade discovers a whole new appreciation for the art of making love blindfolded Jade's Erotic Adventures One woman Endless passion No limits After years in a passionless marriage Jade is ready to reclaim her desires fantasies and wildest pleasures Newly divorced and eager to explore she embarks on an erotic journey of self discovery indulging in forbidden temptations steamy encounters and uninhibited pleasure with an array of seductive men alluring women and tantalizing transgender lovers Each standalone story in Jade's Erotic Adventures is a pulse racing boundary pushing tale of seduction liberation and raw unapologetic desire Whether she's surrendering to a dominant stranger exploring her sensuality with a mysterious woman or indulging in a ménage of passion one thing is certain Jade is done holding back A steamy no limits erotic series for fans of sexual exploration bisexual romance and unfiltered pleasure Read in any order and prepare to be seduced Keywords short erotic lesbian love novel erotica lesbian erotica bisexual erotica erotic short stories sex stories women's fiction erotica series first time lesbian girl on girl steamy romance erotic romance free lesbian erotica ff erotica lesbian erotic fiction erotic stories free erotic stories couples erotica free sex stories fantasy erotica erotic fantasy lgbt books lgbt erotica exhibitionism free erotica free books victoria rush erotic erotic fiction      **Jewish Studies at the Turn of the Twentieth Century** Angel Sáenz-Badillos, Judit Targarona Borrás, 2024-01-22 In July of 1998 the European Association for Jewish Studies celebrated its Sixth Congress in Toledo with almost four hundred participants In these Proceedings have been collected 169 papers and communications read during the conference By and large they offer a broad realistic perspective on the advances achievements and anxieties of Judaic Studies at the turn of the 20th century on the eve of the new millennium They represent the point of view of the European scholars enriched with notable contributions by colleagues from other continents One volume ISBN 978 90 04 11554 5 includes papers dealing with Jewish studies on biblical rabbinical and medieval times as well as with some general subjects such as Jewish languages and bibliography A second volume ISBN 978 90 04 11558 3 is dedicated to the Judaism of modern times from the Renaissance to our days      *Hitchcock as Philosopher of the Erotic* Richard Gilmore, 2024-06-07 This book reads Alfred Hitchcock as a philosopher of what constitutes the erotic The author

argues that Hitchcock is doing a post Nietzschean postmodern kind of philosophy in which he is exploring and creating possibilities of what the erotic can feel like and how the erotic can be expressed The erotic is a pervasive phenomenon in Hitchcock's films It involves irony play and sophistication and there can be erotic failures as well as erotic successes The erotic is most complexly explored by Hitchcock in his two masterpieces from the 1950s *Vertigo* 1958 a story of the failure of the erotic and *North by Northwest* 1959 in which the erotic is consummated in marriage The author argues that Hitchcock has a philosophical theory about what makes the difference It is a version of existential philosophy that understands what a person is to be based on what they make of themselves through their choices The author argues that the erotic for Hitchcock is a process of mutual reciprocal creation of the personality of the other person This process is complicated by the fact that as one attempts to create the person one desires one is simultaneously being created by that other person and so what one desires is also in a process of being recreated in the mutual reciprocal dance of the erotic entanglement There is a moral dimension to this because erotic failure is in a way a failure of the human not in the sense of a human essence but in the sense of realizing human possibilities that can make our lives more satisfying complete and full Hitchcock as Philosopher of the Erotic will appeal to scholars and advanced students working on philosophy of film film studies and philosophy of love and sex
