Churches Tina Blount, 2012-07 The Church is being invaded by spiritual parasites that are causing weakness paralysis blindness and ineffectiveness in the Body of Christ today Using the seven churches of the Book of Revelation as the backdrop for her teaching on this vital subject Tina Blount speaks directly and convincingly about The parasite of busyness The parasite of fear The parasite of compromise The parasite of tolerance The parasite of blind hypocrisy The parasite of inferiority The parasite of complacency The author writes Shortly after major surgery I learned that a rare parasite had been found in my body I later learned that if the parasite had lived it would have traveled to my eyes spiritual parasites do the same thing They enter during moments of vulnerability or weakness and left unadressed they will feed on the host until they render it useless or destroy it This analogy is effective in that it not only warns us but it shows us how to deal with the problem through effective spiritual warfare Let s heed the warning and protect the Church of Jesus Christ our own lives and

our families through the strategies outlined in this eye opening helpful book Final Warnings Emile Stephen,2012-08-10

And Warnings Of Jesus To His Church Albert Heaney,2018-09-25 Given that Jesus has issued a warning that in the end
times the church will be infiltrated with false prophets that will mislead many and given that the book of Revelation was
given to reveal future events in the end times and given that various interpretations of prophecies in the book are given by
present day biblical scholars this book attempts to clarify an understanding of the revelations provided in the book by closely
adhering to the messages given and avoiding giving interpretations that are not explicitly provided in scripture It is
important that the church becomes aware of the messages God has given to the church of our day so that it can be prepared
to face the future and be ready to endure to the end The author believes that the book of Revelation was not given as a puzzle
to be decoded by scholars but rather as a series of messages that can be understood by ordinary people so as to open their
eyes as to all that God has prepared for those who love Him Reading the Book of Revelation Alexander
Stewart,2021-12-01 How to read Revelation rightly Let s face it the book of Revelation is difficult to read Many neglect it
leaving it to the experts or the obsessed Others fixate on the details focusing on current events but missing Christ in the
process But Revelation promises a blessing on all who read it Why is it so hard to understand In Reading the Book of
Revelation Alexander E Stewart offers five simple keys that unlock this difficult book He then illustrates their profit in
