

Watt Matthews Of Lambshead

Glen Sample Ely

Watt Matthews Of Lambshead:

Lambshead Legacy Watt Matthews, 1997 Lyndon B Johnson The diary focusing on Watt's life from 1951 to 1980 contains Watt's records of the number and kind of cattle the work completed on them the pasture they were moved to and their sale price Also Watt recorded the weather at Lambshead the names of visitors and the parties with the names and number of people who attended At times Watt referred to the diary to refresh his memory or settle factual disputes Frances Mayhugh Holden's introduction *Watt Matthews of Lambshead* Laura Wilson, 2017 The Texas State Historical Association is pleased to offer a third edition of Watt Matthews of Lambshead Since the first edition was published in 1989 Laura Wilson's chronicle of this iconic ranch has proven to be a popular and important contribution to the story of Texas In words and especially in Wilson's starkly beautiful images Watt Matthews of Lambshead captures a way of life that is iconically Texan A new foreword by Anne Wilkes Tucker curator emeritus of photography at the Museum of Fine Arts Houston puts the book in the context of Wilson's career as one of the most notable photographers of the contemporary American West **Watt Matthews of Lambshead**, 1989 In this powerful photographic essay and text Laura Wilson has captured the spirit of this fabled ranch and the irreplaceable man behind it Watt Matthews and Lambshead are at the center of a world which reflects Texas of a century ago He carries within him the story of a large part of the cattle industry from the time of the Civil War to the present day **The 50 + Best Books on Texas** A. C. Greene, 1998 An annotated listing of over fifty books judged by the author to be the best examples of Texas literature arranged alphabetically by title **Lambshead Before Interwoven** Frances Mayhugh Holden, 1982 The history of Lambshead Ranch which is located in Throckmorton and Shackelford counties Texas The Lambshead Ranch area was occupied by several persons including Randolph March Robert Neighbors and Jesse Stem an Indian agent who established an Indian agency there Stem was killed by Indians and his wife oversaw expansion of the ranch The ranch is named for Thomas Lambshead born in 1805 in England who emigrated to Texas around 1847 Thomas bought land in the nearby Round Mountain Creek area Whether Thomas ever lived on Lambshead is not known John A Matthews located on Lambshead in 1897 and brought his family to the ranch in 1915 *Turning the Pages of Texas* Lonn Taylor, 2019-04-18 Turning the Pages of Texas is a collection of sixty essays about Texas books authors book collectors libraries and bookstores It is a book for booklovers and bookish readers Lonn Taylor writes from the point of view of a historian who has been reading books about Texas for seventy years since he was seven years old and who has known many of the authors he writes about He presents his reflections about well known figures such as John Graves J Frank Dobie and Larry McMurtry He also introduces readers to people like folklorist C L Sonnichsen who wrote about Texas feuds Julia Lee Sinks who interviewed early settlers of Fayette County in the 1870s Karen Olsson who wrote a fine novel about the mystique of Austin and David Dorado Romo who describes himself as the psychogeographer of El Paso and is the grandnephew of a saint Some of the authors Taylor writes about are truly obscure like Gertrude Beasley who published her autobiography in

Paris in 1924 and died in a New York insane asylum or Tony Cano whose self published autobiographical novel describes what it was like to be poor and Mexican in West Texas in the 1950s Taylor also teases out the Texas connections of writers as diverse as William Sydney Porter Hervey Allen and H Allen Smith and he writes about tracking down Texas books in London and Washington DC as well as at Barber s in Fort Worth the Brick Row Book Shop in Austin and Rosengren s and Brock s in San Antonio This is a booklover s book Interwoven Sallie Reynolds Matthews,1982 Records one woman s response to pioneer life in Texas at the turn of the century **GhostWest** Ann Ronald,2005-02-03 Our sense of place is permeated by ghosts from the past In GhostWest Ann Ronald takes the reader to historical sites where something once happened Using the metaphor of hauntings she reflects on how western history literature and lore continue to shape our visceral impressions of these sites In chapters both lyrical and thoughtful passionate and humorous GhostWest covers sites in seventeen western states including the Little Bighorn Battlefield in Montana Willa Cather s Nebraska prairies and the Murrah Building bombing site in Oklahoma Through these settings and their phantoms the author mulls questions of why we find such ambience and artifacts so compelling Volume 7 in the Literature of the American West series Roads Larry McMurtry,2010-06-01 As he crisscrosses America driving in search of the present the past and himself Larry McMurtry shares his fascination with this nation s great trails and the culture that has developed around them Ever since he was a boy growing up in Texas only a mile from Highway 281 Larry McMurtry has felt the pull of the road His town was thoroughly landlocked making the highway his river its hidden reaches a mystery and an enticement I began my life beside it and I want to drift down the entire length of it before I end this book In Roads McMurtry embarks on a cross country trip where his route is also his destination As he drives McMurtry reminisces about the places he s seen the people he s met and the books he s read including more than 3 000 books about travel He explains why watching episodes of The Mary Tyler Moore Show might be the best way to find joie de vivre in Minnesota the scenic differences between Route 35 and I 801 which vigilantes lived in Montana and which hailed from Idaho and the histories of Lewis and Clark Sitting Bull and Custer that still haunt Route 2 today As it makes its way from South Florida to North Dakota from eastern Long Island to Oregon Roads is travel writing at its best Princeton Alumni Weekly ,1927 *America, the West, and Liberal Education* Ralph C. Hancock,1999 More than a decade ago Allan BloomOs The Closing of the American Mind raised the philosophical stakes of the debate concerning the proper role of the study of the great books in higher education BloomOs argument for the Western tradition employed both the rhetoric of knowledge for its own sake and that of the broadly political uses of education But the question of the precise relationship between the intellectual and the moral political ends of liberal education was not BloomOs theme though he clearly opposed the political radicalization of the curriculum espoused by many who styled themselves post modernists he may not have adequately addressed their contention that all education is deeply political The essays in America the West and Liberal Education attempt to advance our understanding of the proper purposes of liberal education in America by exploring the

relationship between the free pursuit of truth and the practical ends embedded in a particular tradition or political community

That Day John Rohrbach, 2015-01-01 Rather than the proverbial melting pot Wilson asks us to recognize a West that is at least a place where against a backdrop of aridity and expansive space diverse lives can and do coexist John Rohrbach Renowned photographer Laura Wilson has captured the majesty as well as the tragedy of her home region of Texas and the wider West for more than three decades A former assistant to Richard Avedon she has published her work to wide acclaim over the past twenty five years As seen in this extraordinary book Wilson s subjects range from legendary West Texas cattle ranches to impoverished Plains Indian reservations to lavish border town cotillions Also featured are compelling portraits of artists who are associated with the region including Donald Judd Ed Ruscha and Sam Shepard The unforgettable images in That Day most of which are previously unpublished tell sharply drawn stories of the people and places that have shaped and continue to shape the nation s most dynamic and unyielding land Text from Wilson s journals accompanies the photographs recalling her personal experiences behind the camera at the moment when a particular image was captured With her incisive eye Wilson casts a fresh light on the West a topic of enduring fascination

T.E.B.: Doctoring in an Age of Scientific Medicine Alan L. Graber, MD, 2018-08-08 In T E B Dr Alan Graber examines the influence and legacy of Dr Thomas Evans Brittingham II a legendary physician and educator at Vanderbilt University Brittingham embodied what it meant to be a doctor He taught his trainees by his example how to care for sick people This book demonstrates Brittingham as an exemplar of a medical era when a doctor s history and physical exam were the principal means of diagnosis Brittingham s practice of doctoring still represents the essence of good patient care This is much more than a biography T E B was a master of bedside clinical medicine and left his legend to a generation of young doctors If anyone was ever called to the profession of medicine it was T E B Clifton K Meador MD Professor of Medicine Emeritus Vanderbilt University

The Texas Frontier and the Butterfield Overland Mail, 1858-1861 Glen Sample Ely, 2016-03-04 This is the story of the antebellum frontier in Texas from the Red River to El Paso a raw and primitive country punctuated by chaos lawlessness and violence During this time the federal government and the State of Texas often worked at cross purposes their confused and contradictory policies leaving settlers on their own to deal with vigilantes lynchings raiding American Indians and Anglo American outlaws Before the Civil War the Texas frontier was a sectional transition zone where southern ideology clashed with western perspectives and where diverse cultures with differing worldviews collided This is also the tale of the Butterfield Overland Mail which carried passengers and mail west from St Louis to San Francisco through Texas While it operated the transcontinental mail line intersected and influenced much of the region s frontier history Through meticulous research including visits to all the sites he describes Glen Sample Ely uncovers the fascinating story of the Butterfield Overland Mail in Texas Until the U S Army and Butterfield built West Texas s infrastructure the region s primitive transportation network hampered its development As Ely shows the Overland Mail Company and the army jump started

growth serving together as both the economic engine and the advance agent for European American settlement Used by soldiers emigrants freighters and stagecoaches the Overland Mail Road was the nineteenth century equivalent of the modern interstate highway system stimulating passenger traffic commercial freighting and business Although most of the action takes place within the Lone Star State this is in many respects an American tale The same concerns that challenged frontier residents confronted citizens across the country Written in an engaging style that transports readers to the rowdy frontier and the bustle of the overland road The Texas Frontier and the Butterfield Overland Mail offers a rare view of Texas s antebellum past

At the Heart of Texas Richard B. McCaslin, 2014-04-01 History like that of Texas is rare Is it not discreditable to the people of Texas that they should leave the collection of material for the history of the State to the great endowed Northern libraries Let Texas arouse herself for very shame and begin at once the discharge of her filial duty So wrote George Pierce Garrison in the first issue of the Quarterly of the Texas State Historical Association published in July 1897 just months after the establishment of the organization on March 2 The state of Texas was just half a century old the city of Austin going back to the days of the Republic was a little older a few years past its half century and the University of Texas where Garrison was the history professor was not yet fourteen Earlier attempts to organize historical societies in Texas traced in the opening chapter illuminate the factors that came ultimately to be decisive in the success of the Association the wisdom in linking the organization with the University of Texas the inclusion of lay historians and the continued insistence on high academic standards And from the beginning the Association has established a tradition for publishing in the Quarterly in addition to the Anglo story the stories of the Indians the Spanish and the French According to author Richard B McCaslin It may be that the Association survived where its predecessors had not because Garrison who was as much a Progressive historian as any of his contemporaries understood the value of inclusiveness The text is organized in chronological chapters by the tenures of the seven directors George Garrison to Ron Tyler all of whom were professors in the UT history department Within the larger framework of the directors the programs and the publications McCaslin gives shape to the unique interaction of forces university political and the academic lay membership that has accorded the Association a character and suppleness that continues to ensure its long endurance The book is profusely illustrated and sidebars culled from past issues of the Quarterly complement the text Winner of the Award of Merit from the Philosophical Society of Texas

Texas Almanac 2018-2019 Elizabeth Cruce Alvarez, Robert Plocheck, 2017-11-15 Includes these new feature articles WATER An in depth overview of the state of water in Texas written by conservationist Dr Andrew Sansom Author of the acclaimed book *Water in Texas* Dr Sansom provides compelling new information in this Almanac article A former executive director of both the Texas Parks and Wildlife Department and the Texas Nature Conservancy he has won many awards for managing and protecting natural resources and currently is Research Professor of Geography and Executive Director of The Meadows Center for Water and the Environment at Texas State University HUNTING A look at the popularity of hunting in Texas by
