Gerald L. Hiestand, Todd Wilson

Torn Rescuing The Gospel From The Gays Vs Christians Debate:

Unconditional Justin Lee, 2013-01-17 Gay The word seemed to hold the weight of eternity within its single syllable As strange as it may seem in all the years I had struggled with my sexuality the idea that I could be gay had simply never crossed my mind I was a Christian That was my whole life And Christians weren't gay This could be the most important book you read this year It's a memoir An exploration of what is and what could be Most of all it's a clarion call to the church to rediscover the love that Jesus called us to Unconditionally So many gay lesbian bisexual and transgender people give up on Christianity because they cannot reconcile who they are with what they were brought up to believe that the Bible teaches about sexuality Here is a wonderfully told story of a brave young homosexual man who has struggled to hold onto his faith while still affirming himself as gay This is a must read Tony Campolo

Torn Justin Lee, 2024-05-14 In a culture war between gays and Christians Justin Lee was caught in the middle Nicknamed God Boy by his peers Lee knew that he was called to a life in evangelical Christian ministry But questions about his own sexuality forced him to rethink his love the sinner hate the sin approach sending him on a journey to better understand the Bible the science and the history of the church's gay debate eventually leading him to become one of the most respected voices on the subject on both sides of the divide Filled with personal stories and careful research Torn provides insightful practical guidance for all committed Christians who wonder how to relate to gay friends or family members or who struggle with their own sexuality Torn has been a trusted resource in this space for over a decade and this updated edition features new material to address the impact and aftermath of the ex gay movement gender identity and the broader LGBTQ movement an updated and expanded look at where the overall affirming Christian movement is going and new practical recommendations for combating the increased polarization that threatens to tear us apart Convinced that God's grace is the key to loving one another without compromise Lee charts a path for people on both sides of the debate to help mend Christianity's shattered reputation and bring peace to our families and churches

Respectful LGBT Conversations Harold Heie, 2018-05-14 In stark contrast to the shrill and nasty interactions among many Christians regarding contentious LGBT issues this book models a redemptive mode of engagement by featuring respectful conversations

among deeply committed Christians who hold to diverging traditional and non traditional views The foundational values guiding these conversations are the quest for truth giving the gift of love to all brothers and sisters in Christ and modeling Christian unity Emerging from these conversations are practical steps for a way forward that include creating safe spaces for ongoing conversation and practicing courageous Christian leadership Based on case studies for a Christian university and two Christian churches this book provides helpful advice for navigating conflict within churches Christian denominations and Christian educational institutions

Becoming Community Olivia A. Phillips, 2021-10-15 How we minister matters especially to those who have already been hurt by the church Instead of ministering out of God s love and compassion the church has often ministered to the Queer community out of a deep rooted fear Why do we administer hatred instead of allowing the balm of the Holy Spirit s tender care to define our actions The integrity of the gospel message has been hurt by the way many of us have wielded the power we have been given Becoming Community is a call for us to renew our Christian commitment to social responsibility and justice as a primary focus of the church We must challenge the practices and visions which we hold most important in our communities Are our ministries truly inclusive to all who would seek to find solace at the feet of Christ Regardless of whether a person might adopt a philosophy of affirmation or denial of queer practices as God honoring one trait must remain in our response inclusion Without intentionally inclusive language care and practice can the church live up to the higher calling that we have been given Is it possible for every individual to be genuinely included in our communities

Christlike Acceptance across Deep Difference Ronald W. Pierce, Karen R. Keen, 2025-08-26 Has your faith community been torn apart over sexuality and gender While affirming and traditionalist Christians wage culture wars many believers have left the church entirely because of disputes over how to best respond to LGBTQ people Ronald Pierce and Karen Keen show readers a different way to approach the controversy In Christlike Acceptance across Deep Difference they bring together a broad range of contributors scholarly and pastoral affirming and traditionalist evangelical mainline and Catholic who demonstrate a more constructive response to LGBTQ concerns Despite their differences the contributors unite in their commitment to biblical authority and Christlike love of neighbor They invite the church to join them in this new and better way This book offers fresh readings of Scripture models of respectful dialogue and first person insights into ministering to LGBTQ people Perfect for pastors church leaders and any Christian worried about polarization this timely volume shows readers how to forge a future shaped by Christlike acceptance

Does God Have a Gay Agenda? Brian King, 2021-09-28 There s a war raging all around us for the souls of men and women for the souls of not only a generation but

of an entire community An entire nation if you will That nation is the LGBTQ community and its adversary it s sad to say is the mainstream Evangelical Church in America Pastor Brian King believes that God loves the LGBTQ community and has a specific plan for them With the scripture to back it up he will attempt to prove that the Bible does not say what the Church claims it says concerning same sex relationships Scripture has been misinterpreted from its original writing sometimes accidentally and other times for ideological or political gain Does God have a Gay Agenda will show that the Church in America has fought every single new move of God s Spirit for the last hundred plus years has betrayed her savior and has sold herself for political power Being LGBTQ is not a choice but staying ignorant is It is time that Evangelical Christians were made aware of the error of their ways with respect to the LGBTQ community as well as of the Church s involvement in politics at the expense of the Gospel And it is time to let the LGBTQ community know that they are loved and bring them into relationship with their Father

Saving Words Joseph S. Pagano, Amy E. Richter, 2021-12-16 What words from our Christian vocabulary would you miss if you could no longer use them If you pronounced them and no one understood If you spoke and people gave them a meaning at odds with your conviction What words do you fear are falling into misuse If you could save some word or phrase from disuse or misuse what would it be *Saving Words* is a collection of personal provocative essays by lay people clergy poets theologians musicians and scholars on words they want to preserve and proclaim urgent and important reflections on the language we need for the facing of these days Open this volume and find saving words that matter
