Street Photography Valérie Jardin,2017-08-10

With both training and preparation a street photographer needs to make rapid decisions there may only be a fraction of a second to immortalize a moment in time that has never happened before and will never happen again This is where Street Photography Creative Vision Behind the Lens comes in Follow Val rie Jardin on an inspiring photo walk around the world After an overview of the practical and technical aspects of street photography Val rie takes you along on a personal photographic journey as she hits the streets of her favorite urban haunts She shows you the art of storytelling through her photographs from envisioning the image to actually capturing it in the camera Learn about the technical and compositional choices she makes and the thought process that spurred the click of the shutter Perfect for both the new photographer excited to capture the world around them and for the experienced street photographer wishing to improve their techniques and images Street Photography requires no special equipment just a passion for seeing and capturing the extraordinary in the ordinary **Television, Japan, and**

Globalization Mitsuhiro Yoshimoto,Eva Tsai,JungBong Choi,2016-02-02 Television Japan and Globalization makes a monumental contribution to the literature of television studies which has increasingly recognized its problematic focus on US and Western European media and a compelling intervention in discussions of globalization through its careful attention to contradictory and complex phenomena on Japanese TV Case studies include talent and stars romance anime telops game and talk shows and live action nostalgia shows The book also looks at Japanese television from a political and economic perspective with attention to Sky TV production trends and Fuji TV as an architectural presence in Tokyo The combination of textual analysis clear argument and historical and economic context makes this book ideal for media studies audiences Its most important contribution may be moving the study of Japanese popular culture beyond the tired truisms about postmodernism and opening up new lines of thinking about television and popular culture within and between nations
