Ussf National Youth License Manual

David Blevins

USSF National Youth License Manual:

An American Parent's Guide to Soccer - Second Edition Jeffrey Sanderson, 2006-11-13 An American Parent's Guide to Soccer explains soccer concepts to parents of young players. It's an explanation of how the game is played and a peek into the culture surrounding the game. **Soccer** Roy Rees, 1998-09 Changing the Game John O'Sullivan, 2020-12-31 A powerful guide for both parents and coaches who want kids to have fun, enjoyable and meaningful youth sporting experiences. I highly recommend it. John Ballantine, president and co-founder Kids in the Game. The modern day youth sports environment has taken the enjoyment out of athletics for our children. Currently 70% of kids drop out of organized sports by the age of thirteen, which has given rise to a generation of overweight, unhealthy young adults. There is a solution. John O'Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes but have done so by creating an environment that promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships and professional aspirations. *Changing the Game* gives adults a new paradigm and a game plan for raising happy, high-performing children and provides a national call to action to return youth sports to our kids. *Changing the Game* is well a game changer. It explores in both depth and breadth the youth sports experience, its blood, sweat and tears. Any parent who wants their children to gain the physical, psychological, emotional and social benefits of what sport has to offer and isn't that every parent better read this book. It will make you a better sports parent and it will ensure that your children get all the good stuff and avoid most of the bad stuff from participating in sports. James Taylor, Ph.D., author of *Positive Pushing: How to Raise a Successful and Happy Child*. **Coaching Girls' Soccer** John DeWitt, 2001-08-07 Coach Girls for Success on and off the Field. Girls rule. Coaching girls soccer is a challenge and also a wonderful experience. Witness a game-winning penalty kick or a goalie who saves an almost unstoppable ball and you can't help but be inspired. The effort, pride and enjoyment on the players' faces are great rewards for parents and often the signs of a good coach, the type of coach you want to be. So how can you get there? Perfect for coaches of girls up to age 13, *Coaching Girls Soccer* includes everything you need to be an outstanding coach and mentor to your team. Whether you are a seasoned coach looking to fine-tune your skills or a rookie eager to take the field, running you'll discover techniques for success that are tailored specifically to the needs of girls, including drills and strategies for coaches new to the world of coaching soccer. Tips on what girls want and need from their soccer experience. Practical suggestions on how to motivate in a positive and encouraging way. Advice for helping girls deal with their changing bodies. And much more. Now you can be a coaching winner and help bring out the best in your players both on the soccer field and in the game of life. The Complete Idiot's Guide to Coaching Youth Soccer Michael Muckian, Dean Duerst, 2003 An Olympic coach tells how to lead the team to victory. This is the first and best handbook for mastering both the soft conceptual skills of coaching youth soccer such as good sportsmanship and dealing with parents to the tactical skills of executing winning offensive and defensive strategies. **Illinois Soccer Media Guide**, 2009 *The Sports Hall of Fame Encyclopedia* David Blevins, 2012
