Lee, 2015-08-04 Therapists and the general public are familiar with the terms s mothering helicopter moms and boomerang sons because they have been popularized in films like Monster in Law Cyrus and Failure to Launch but what makes for humorous fodder onscreen depicts a troubling issue that s being played out for real in therapists offices bedrooms and divorce courts across the nation an epidemic of men who are enmeshed in unhealthy energy sucking and emasculating relationships with their mothers Even though these men are grown and living away from Mom her influence has left them unable to fully commit or to fully love and they are plagued with anger issues indecisiveness depression or toxic stress In Breaking the Mother Son Dynamic John Lee takes an eye opening look at how a mother s love or lack thereof impacts a son s life choices and life partner or lovers Perhaps you are one of these men or maybe you recognize these behaviors in the man you love Do you hold back swallow or bottle up things you wish you could say to your mother for fear it would upset or kill her Did you grow up hearing negative things about men masculinity being a male and how you shouldn t be like the rest of them Does your mother or did she fail to respect your boundaries as a child adolescent or adult Does your mother keep referring to you as her baby or her little boy even after you became an adult If you answered yes to any of these questions you may be caught in an unhealthy mother son dynamic that is negatively affecting key areas of your life Several years ago John Lee wrote what came to be the most authoritative book on why men run from relationships The Flying Boy Healing the Wounded Man Here he visits the mother son relationship and gently but assertively shows men how to separate from the mother energy that has a massive pull on their hearts and souls no matter how young or old they may be In a work that is a combination of memoir self help psychology recovery and personal growth he discovers why a relationship of 50 50 responsibility doesn t work and what does work how men can stop sonning mothers lovers and wives why one must learn his or her own rhythm of closeness how to be really present to those we love and to life itself and much much more Using case studies personal stories and assessments the book helps men release any anger and grief toward their mothers and teaches them how to take responsibility for their adult selves most importantly Lee provides an understanding of what healthy adults should and shouldn t expect from each other Lee shows wives and girlfriends how to stop being their man s surrogate mother and shows well meaning mothers how certain behaviors may perpetuate an unhealthy cycle and how to better relate to their sons in healthier ways By helping mothers and sons identify this dynamic and providing them with the tools to dismantle it this book will change lives For anyone who is ready to make a clean clear and guilt free separation from the kind of s mothering and sonning that just hasn t worked John Lee will show them the way
