Where Is Silas Where Is Silas:

The British Juvenile, 1877 **Cities and Literature** Malcolm Miles, 2018-10-03 This book offers a critical introduction to the relation between cities and literature fiction poetry and literary criticism from the late eighteenth to twenty first centuries It examines examples of writing from Europe North America and post colonial countries juxtaposed with key ideas from urban cultural and critical theories Cities and Literature shows how literature frames real and imagined constructs and experiences of cities Arranged thematically each chapter offers a narrative which introduces a number of key thinkers and writers whose vision illuminates the prevailing idea of the city at the time The themes are extended or challenged by boxed cases of specific texts or images accompanied by short critical commentaries the structure provides readers with a map of the terrain enabling connections across time and place within manageable limits and offers elements of critical discussion to serve a growing number of university courses which involve the intersections of cities and literature This volume offers access to literature from an urban perspective for the social sciences and access to urbanism from a literary viewpoint It is an excellent resource for both undergraduate and postgraduate students in the fields of urban studies and English literature planning cultural and human geographies architecture cultural studies and cultural policy **The Works of Walter Savage Landor** Walter Savage Landor, 1846 *Imaginary conversations.
