

WHY DOES GOD ALLOW TRAGEDY AND SUFFERING?

Reflections on the shooting tragedy in Aurora, Colorado

By Lee Strobel

The following is adapted from a sermon preached by author and apologist Lee Strobel on Sunday, July 22, 2012 at Cherry Hills Community Church in Highlands Ranch, Colorado.

It's already being called the worst mass shooting in American history: 70 people shot by a gunman, 12 of them killed, while they were watching the midnight showing of a new movie. It all happened just 21 miles from where we're sitting. There are no words to describe the anguish being felt by those who are suffering today; our heart and prayers have, and will, go out to them. There are so many tragic stories, so much pain. And many people are asking the question, "Why? Why did God allow this?"

This has been a heart-rending summer for Colorado. First came the wildfires, which ravaged the houses of hundreds of our neighbors, prompting many of them to ask the same question, "Why?"

And those two tragic events are just added to the everyday pain and suffering being experienced in individual lives. There's illness, abuse, broken relationships, betrayal, sorrow, injuries, disappointment, heartache, crime, and death. And perhaps you've been asking the question too, "Why? Why me? Why now?"

That "why" question is not a new one; it goes back thousands of years.

It was asked in the Old Testament by Job and the writers of the Psalms, and it was especially relevant during the 20th Century, where we witnessed two World Wars, the Holocaust, genocides in the Soviet Union and China, devastating famines in Africa, the killing fields of Cambodia, the emergence of AIDS, the genocide in Rwanda and the ethnic cleansing of Kosovo. And the 21st Century didn't start any better. There was 9/11 and now the Syrian slaughters, and on and on. Why do all of these horrific things happen if there's a loving and powerful God? Why do bad things happen to good people?

Several years ago, I commissioned a national survey and asked people what question they'd ask if they could only ask God one thing. The number one response was: "Why is there suffering in the world?"

Maybe you've never asked why our world is infected with pain and suffering, but my guess is you will when they strike you or a loved one with full force. And Jesus said they are coming. Unlike some other religious leaders who wrote off pain and suffering as mere illusions, Jesus was honest about the inevitability of suffering. In John 16:33

Where Is God In Suffering And Tragedy:

Where Is God in Suffering and Tragedy? Thaddeus Barnum, 1997-01-01 Thaddeus Barnum relates his experience of serving as a chaplain at the site of a tragic airliner crash in Pittsburgh PA in 1994 telling how the comfort and care of Christ was evident in the midst of total devastation **Why Do We Suffer and Where Is God When We Do?** Valerie G. Rempel, 2020-03-31 Cancer hurricanes hunger suicide suffering is the most profound challenge to faith that many people will face Valerie G Rempel leads readers into a gentle meditation on the many questions surrounding why we suffer How can God be all loving and all powerful Why don't prayers seem to work Is pain always redemptive And what do the life death and resurrection of Jesus reveal about suffering We may not find answers to all our questions but we can lean into the God big enough to absorb all of them **Where Is God When We Suffer?** Lynn Gardner, 2007 **Where Is God When Bad Things Happen?** Luis Palau, 2000 Suffering Its stubborn inevitability prompts our deepest doubts about life as well as a profound search for meaning Why do we suffer Why must we lose the ones we love Why must each of us face sickness and death If God exists where is God when these things happen International evangelist Luis Palau has seen desperate suffering in the lives of millions of people all over the world and has experienced it in his own life In *Where Is God When Bad Things Happen* Palau helps those in pain come to grips with the crushing adversities of life by directing them to the limitless resources found in God Without sidestepping the most difficult questions or slipping into the pat answers of a merely intellectual faith Palau provides encouragement and hope to those who sorely need both Although helpful to readers already committed in their faith this book is especially intended for those who are still searching and who wonder where God could be in times of trouble Instead of an academic treatise on the problem of evil *Where Is God When Bad Things Happen* is an empathetic exploration of divine action in the midst of terrible pain **Believe the Believable** Virgil L. Brady, 2007-04-03 Dr Virgil Brady claims one of the major reasons for indifference in the church stems from being asked to believe the unbelievable People leave the church Members become inactive or indifferent A growing number of the population simply does not experience the church as a viable channel for expressing their religious convictions Certain religious ideas play a role in the threat of terrorism The author addresses the issues of unnecessary divisions and tension in our churches the nation and around the world *Believe the Believable* will help people grow a strong faith while dealing with religious diversity Written for laity *Believe the Believable* uses intelligible language and helpful illustrations to clarify the basic tenets of the Christian faith Church groups and classes will find Dr Brady's book a useful resource *Where Is God When Life Hurts?* Douglas McKay, Dr Douglas J McKay, 2006-03 **God, Evolution, and Animal Suffering** Bethany N. Sollereder, 2018-10-29 After the publication of *On the Origin of Species* in 1859 theologians were faced with the dilemma of God creating through evolution Suddenly pain suffering untimely death and extinction appeared to be the very tools of creation and not a result of the sin of humanity Despite this paradigm shift the question of non human suffering has been largely overlooked within

theodicy debates overwhelmed by the extreme human suffering of the twentieth century This book redresses this imbalance by offering a rigorous academic treatment of the questions surrounding God and the suffering of non human animals Combining theological philosophical and biblical perspectives this book explores the relationship between God and Creation within Christian theology First it dismantles the popular theological view that roots violence and suffering in the animal kingdom in the fall of humanity Then through an exploration of the nature of love it affirms that there are multiple reasons to suggest that God and creation can both be good even with the presence of violence and suffering This is an innovative exploration of an under examined subject that encompasses issues of theology science morality and human animal interactions As such it will be of keen interest to scholars and academics of religion and science the philosophy of religion theodicy and biblical studies

Where Is God When It Hurts? Philip Yancey, 1997 This perennial best seller now in a revised and expanded edition includes a study guide The book and study materials focus on the role of pain in God's plan for life and how we can respond to it

Tragedies and Christian Congregations Christopher Southgate, Carla Grosch-Miller, Hilary Ison, Megan Warner, 2019-09-26 When tragedy strikes a community it is often unexpected with long lasting effects on the people left in its wake Too often there aren't adequate systems in place to aid those affected in processing what has happened This study uniquely combines practical theology pastoral insight and scientific data to demonstrate how Christian congregations can be helped to be resilient in the face of sudden devastating events Beginning by identifying the characteristics of trauma in individuals and communities this collection of essays from practitioners and academics locates sudden trauma inducing tragedies as a problem in practical theology A range of biblical and theological responses are presented but contemporary scientific understanding is also included in order to challenge and stretch some of these traditional theological resources The pastoral section of the book examines the ethics of response to tragedy locating the role of the minister in relation to other helping agencies and exploring the all too topical issue of ministerial abuse Developing a nuanced rationale for good practical pastoral liturgical and theological responses to major traumas this book will be of significant value to scholars of practical theology as well as practitioners counselling in and around church congregations

Compassionate Intercultural Care Practices for Coping with Grief James Japheth Sudarshan Harrichand, 2024-03-31 As humans we all express our grief differently Acknowledging this truth Dr James Harrichand examines Old Testament accounts of grief and mourning alongside the experiences of marginalized Guyanese and Vietnamese immigrant communities in Canada He explores both biblical and pastoral theology through an anthropological lens bridging the horizons of Scripture and culture in a hermeneutically and pastorally sensitive manner Dr Harrichand's focus on prosaic prayers in the Old Testament fills a significant gap in the scholarship but this book is also significant for its immense practicality sensitizing readers to grief's varied expressions and equipping culturally intelligent pastoral caregivers He presents five compassionate intercultural care practices for coping with grief grounding each in the living hope of the

redemptive work of Jesus Christ the one who bore our griefs and carries our sorrows
