Active History Andi Stix, Frank Hrbek, 2013-10-01 Journey back to Ancient Egypt to discover the mummification process, learn about the Egyptian afterlife and understand what it was like to be part of the bartering system. Active History Ancient Egypt provides students with meaningful learning experiences through five engaging and easy-to-implement simulations that appeal to a variety of learning modalities and promote critical thinking. These simulations empower students to participate in their own active learning and provide the opportunity to make connections to present-day life. This must-have resource is perfect to support students' deep learning and use of higher-order thinking skills. Support materials include planning documents, templates, graphic organizers, background information and more.

Common Core Curriculum: English, Grades K-5 Great Minds, 2014-05-06 Common Core's English resources empower educators to meet the expectations of the Common Core State Standards (CCSS) for English Language Arts (ELA) and build essential content knowledge for students in grades K-5. Each grade in *The Wheatley Portfolio* features a comprehensive, coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include: Six thematic units for each grade, each centered on a curated collection of literary and informational texts; Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills; Suggested texts and activities to incorporate science, art and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources and refreshed suggested works. Educators who create their curriculum based on Common Core's *Wheatley Portfolio* guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening and language skills articulated in the CCSS for ELA.

Common Core Curriculum Maps in English Language Arts, Grades K-5 Great Minds, 2011-10-19 The first books to present specific guidance for teaching the Common Core State Standards, forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards (CCSS). The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive, coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades K-5. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Each grade is broken down into six units that include focus standards, suggested works, sample activities and assessments, lesson plans and more. Teachers

can use the maps to plan their year and craft their own more detailed lesson plans Any teacher school or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards

Teaching Arguments

Jennifer Fletcher,2023-10-10 No matter where students live lead after graduation one of the most essential tools we can teach them is how to comprehend analyze and respond to arguments Students need to know how writers and speakers choices are shaped by elements of the rhetorical situation including audience occasion and purpose In Teaching Arguments Rhetorical Comprehension Critique and Response Jennifer Fletcher provides teachers with engaging classroom activities writing prompts graphic organizers and student samples to help students at all levels read write listen speak and think rhetorically Fletcher believes that with appropriate scaffolding and encouragement all students can learn a rhetorical approach to argument and gain access to rigorous academic content Teaching Arguments opens the door and helps them pay closer attention to the acts of meaning around them to notice persuasive strategies that might not be apparent at first glance When we analyze and develop arguments we have to consider more than just the printed words on the page We have to evaluate multiple perspectives the tension between belief and doubt the interplay of reason character and emotion the dynamics of occasion audience and purpose and how our own identities shape what we read and write Rhetoric teaches us how to do these things Teaching Arguments will help students learn to move beyond a superficial response to texts so they can analyze and craft sophisticated persuasive arguments a major cornerstone for being not just college and career ready but ready for the challenges of the world

Schooling Corporate Citizens Ronald W. Evans,2014-11-27 *Schooling Corporate Citizens* examines the full history of accountability reform in the United States from its origins in the 1970s and 1980s to the development of the Common Core in recent years Based in extensive archival research it traces the origins and development of accountability reform as marked by key government and business led reports from *A Nation at Risk* to *No Child Left Behind* and *Race to the Top* By using the lens of social studies and civic education as a means to understand the concrete impacts of accountability reforms on schools Evans shows how reformers have applied principles of business management to schools in extreme ways damaging civic education and undermining democratic learning The first full length narrative account of accountability reform and its impact on social studies and civic education *Schooling Corporate Citizens* offers crucial insights to the ongoing process of American school reform shedding light on its dilemmas and possibilities and allowing for thoughtful consideration of future reform efforts

Uncommonly Good Ideas

Sandra Murphy,Mary Ann Smith,2015-04-03 This innovative resource provides teachers with a road map for designing a comprehensive writing curriculum that meets Common Core State Standards The authors zero in on several big ideas that lead to and support effective practices in writing instruction such as integrating reading writing speaking and listening teaching writing as a process extending the range of the students writing spiraling and scaffolding a writing curriculum and collaborating These ideas are the cornerstone of best research based practices as well as the CCSS for writing The first chapter offers a complete

lesson designed around teaching narrative writing and illustrates tried and true practices for teaching writing as a process. The remaining chapters explore a broad range of teaching approaches that help students tackle different kinds of narrative, informational, and argumentative writing as well as complexities like audience and purpose. Each chapter focuses on at least one of the uncommonly good ideas and illustrates how to create curricula around it. *Uncommonly Good Ideas* includes model lessons and assignments, mentor texts, teaching strategies, student writing, and practical guidance for moving the ideas from the page into the classroom.

Evidence-Based Strategies for Leading 21st Century Schools Lynne Schrum, Barbara B. Levin, 2012-06-13 Discover how award-winning schools advance students learning through technology. How can a school best use technology for teaching and learning? This inspiring book profiles eight visionary schools that are achievers in how they approach technology. In this companion to *Leading 21st Century Schools*, Lynne Schrum and Barbara Levin offer insights direct from principals, teachers, superintendents, and others involved in implementing technology in K-12 environments. Readers will find a step-by-step guide to building a 21st-century school complete with resource directories and study group questions. This book will provide evidence-based strategies for becoming a school culture that embraces technology and 21st-century skills. Creating a 21st-century classroom including new instructional approaches and professional development opportunities. Selecting the right technology plan, infrastructure, and devices for your school. Managing costs through funding and budget strategies. Measuring progress through effective use of data. Learn from 21st-century schools in action and develop your own path to integrating technology within your school. If I were a leader moving my school or district toward a digital age environment, I would want two things: a conversation with people who had done it to learn what worked and what didn't, and a real review of the literature. This book supplies a deep dose of both. Even a brief dive offers nuggets of applicable information for leaders. Hall Davidson, Senior Director of Global Learning Initiatives, Discovery Education. Schrum and Levin not only look at the growing research but look deeply at successful schools that are utilizing 21st-century tools and what factors influence their success. This book contributes significantly to the necessary skills of tomorrow's leaders. Chip Kimball, Superintendent, Lake Washington School District.
