Worldperfect The Jewish Impact On Civilization:

WorldPerfect Ken Spiro, 2020-08-30 In pursuit of an answer to the question of what would constitute a perfect world author Ken Spiro questioned more than 1 500 people of various backgrounds and religions His findings revealed six core elements Respect for human life peace and harmony justice and equality education family and social responsibility He then set off on a journey to find out why these were such common goals across cultural economic social and racial lines and in the process traced the history of the development of world religions values and ethics As a rabbi he paid particular attention to how Judaism impacted and was influenced by the course of these developments The result is a highly readable and well documented book about the origins of values and virtues in Western civilization as influenced by the Greeks Romans Christians Muslims and most significantly the Jews The history of religion presented in Spiro s highly readable style is a fascinating and timely subject especially in today s volatile religious climate Spiro divides his book into five engaging parts Where the Quality of Mercy Was Not Strained The World of Greece and Rome Against the Grain The Jewish View A Father to Many Nations Abraham and the Implications of Monotheism With Sword and Fire The Rise of Christianity and Islam The New Promised Land Impact of Judaism on Liberal Democracies Readers of all faiths will find that the elements of a perfect world can only be achieved by a common understanding of our mutual backgrounds and that our diverse religions are all merely branches growing from one single tree

Destiny Ken Spiro, 2018-03-18 Every Hollywood epic follows the same plot outline a cosmic struggle of good and evil that pits a little hero against a big bad guy think Luke Skywalker vs Darth Vader Frodo Baggins vs Saruman Harry Potter vs Voldemort The odds are totally stacked against the hero yet as the story unfolds his strengths are revealed and in the final showdown he triumphs All these movies follow this plot because it is deeply ingrained in our subconscious that this is the way the story is supposed to happen This may be fiction and fantasy in the movies but in reality it is the story of the Jewish people and the real plot of human history This book walks the reader through the central themes in Jewish history the impact of Jewish values on civilization Jewish drive and the disproportionate impact of the Jewish people antisemitism and its message the Jewish view of history and conception of time and the End of Days These themes allow the reader to see the striking parallel between the reality of Jewish history and the universal plot of these epic movies that everyone loves The metaphor is enhanced with striking fold out movie storyboards depicting Jewish history in movie form The reader will come away with an understanding of the unique role and mission of the Jewish people in history and its very special destiny

The Bible's Top 50 Ideas Dov Peretz Elkins,Abigail Treu,2013-09-01 All the important moral ideas of the modern world are based on the key biblical verses analyzed in this collection What generally happens when someone picks up a copy of the Bible Often it is put down within seconds because readers see endless verses which turn them off Finally here is an accessible book about the Bible that focuses on its great moral principles Human beings are created in the image of God Love your neighbor as yourself You shall not stand idly by the blood of your neighbor You shall love the Lord your God with all your heart and with all your soul and

with all your might Justice justice shall you pursue Dov Peretz Elkins believes that if a reader understands fifty verses of the five thousand in the Bible only 1 percent he or she will begin to grasp the essence of the Bible This remarkable explanation of the Bible shows readers how it can serve as a light that illuminates a path through the confusion and problems in their personal and communal lives The result is a life that is better and more serious a life with meaning purpose and direction The Bible s Top 50 Ideas Presents the Bible s essential ideas in readable engaging fashion Focuses on the contemporary value of the Bible Uses commentaries and explanations from sources that are modern as well as ancient Christian as well as Jewish and popular as well as scholarly Elkins not only simplifies the Bible but also demonstrates how its fundamental ideas and concepts have inspired four thousand years of civilization to follow its teachings The result is a moral legal and literary foundation that remains the basis of all democratic and principled societies to this day

God's Heart for Israel (and Us) John Weldon, 2011-07-12 We read God s promises to Israel in the Old Testament where it is referred to as the apple of His eye but is God done with Israel since they rejected their Messiah Are we as Christians supposed to stand for the nation of Israel today Has the Church now replaced Israel so that God s promises and covenants given in the OT no longer apply to Israel What is Israel s global importance Is global anti-Semitism on the rise What will be Israel s ultimate future According to an article in the Jerusalem Post of June 17 2011 Israel is at a do or die moment As was the case in May 1967 when the combined Arab armies gathered with the express purpose of wiping the Jewish state off the map today again Israel is alone in its hour of greatest peril John Weldon is able to answer these questions and address the important issues of our day because of the extensive research he has done on Middle East and America He shares what he has learned in this deeply thought provoking book
