Our Journey with Duchenne Muscular Dystrophy Vicki Spence, Stacy Spence, 2010 **Fueled by Misery: My Journey Through Life with Muscular Dystrophy** Peter Li, 2017-07 When I first met Peter Li he greeted me from his wheelchair with a smile and hearty Nice to meet you Despite the fact that MD has taken away most of his mobility and that he is 100% dependent on his care takers at Angel s View he maintains a pretty cheerful spirit and a smile that fills the room Behind that spirit though is a story of surviving and navigating life events that would leave most people without any reason to smile Peter is a Chinese immigrant who sailed his way to American with his family His childhood MD diagnosis came with devastating implications for a boy who just wanted to fit in and for a family unfamiliar with the disease And as MD began to take over his body Peter s own bout with depression had him wondering if medical care was even worth it As we sat and talked that sunny day in California Peter shared the tragedy of his life but he also shared the thankfulness and gratitude that has been a part of his experience He receives incredible care from the nurses who serve the home he and his brother and several other friends share all battling MD He has met celebrities He has been the keynote at fund raising galas and has helped spread the message that life after MD can still be richly fulfilling Spend a few hours with Peter as I did and you ll walk away with a smile on your face and boost to your own spirit That s Peter s hope for this book that you will be encouraged to live life to its fullest and embrace all parts of it the good parts and the hard parts as aspects of the journey So go ahead meet Peter by reading his book and see if you can find a smile and some encouragement for your life Joe Castaneda Publisher Journey of Love ,1998 Heart Shaped Rocks, Don't Die Without Me Misty Vanderweele, 2014-05-23 Heart Shaped Rocks is about a sister named Jenna as she lives knowing her brother could

die at any time from Duchenne Muscular Dystrophy What has brought Jenna extreme hardship and struggle over and over she is anything but broken Jenna s story will not only leave a mark on your heart you ll start seeing hearts everywhere In nature and maybe even finding them living on your windowsill **The Diagnosis** Luke Dalien,2018-12-05 **The**

Explanation: Epic Battle with Muscular Dystrophy Luke Dalien,2019-03-25 It s a fact that children understand difficult situations at a much different level than grown ups Mark The Mighty Muskrat is a series of children s books that tackles this exact reality The Explanation is a real life story of how the author and his wife explained Duchenne Muscular Dystrophy to their newly diagnosed four year old son and his six year old sister Each page in this incredibly personal family centric story is filled with beautifully illustrated characters and rhyme filled poetry The second in a series intent on battling the stigma and fear so often associated with tough things this children s book describes 1 Just how unique each person is in this world 2 How each person learns to adapt to their reality 3 The importance of understanding and respecting each other The final page in the book describes it all So the next time you see someone who looks or acts differently than you Remember their body was made in a unique way and they re special too Believe **God & Me: His Story, My Journey with Muscular**

Dystrophy Peter E. Brown,2018-10-17 He wasn t supposed to live The odds were against him and he beat them He saw victory in things impossible He sees the silver lining instead of the darkness He sees hope when there is none He speaks inspiration when others delve into the negative Nothing in his life was simple and easy but he persevered This is his story

Duchenne Muscular Dystrophy Josephine M. Green,Frances E. Murton,1994 **Moonrise** Penny Wolfson,2014-04-22 Moonrise is Penny Wolfson s first person account of her family her son Ansel and his progressive disability caused by the genetic disease Duchenne muscular dystrophy The journey begins when he is born and deemed a particularly beautiful and magical baby continues with the alarming possibility at the age of two of wrongness takes us through the diagnosis of disease and prognosis of early death and brings us to his adolescence where his parents are never sure if the moon is rising or setting over his life As she traces her son s development and the impact of his disability on her worldview she embarks on a quest to understand scientific advances and their implications The gene was isolated at approximately the time Ansel was diagnosed She also explores special education giftedness prenatal testing and the genetic links she shares with her mother sisters and son Questions about the disease causing mutation persist What does knowledge of the self on a molecular level mean Is genetic self knowledge our goal now much as knowledge of the psyche was in the last century Moonrise is an essential contribution to the dialogue about genetics as well as a deeply human story about a remarkable child and his family
