Vom Geist Bewegt Schweizerischen Pfingstmission

Peter H. Uhlmann

Vom Geist Bewegt Schweizerischen Pfingstmission:

Pentecostal Perspectives on Social Justice Thomas U. Kurt, 2025-06-10 The beginnings of the Pentecostal movement were characterized by charismatic gifts and an extraordinary missionary dynamic At the same time early Pentecostals stood out from their social environment for their liberal practices on race and women s issues and for their pacifism In a world characterized by violence oppression and exploitation the question of justice is crucial for the future of this world At the same time for Pentecostals the question of the future of this world is closely linked to the kingdom of God This book explores whether there is a common denominator in Pentecostal social ethics what that denominator consists of and what its theological categories are To answer these questions it examines four representatives of the global Pentecostal church who have made prominent contributions in the field of social ethics The results are then discussed in a dialogue with Jürgen Moltmann one of the most prominent voices in systematic theology for social justice and the liberation of the oppressed

Empowered Voices Rakel Ystebo Alegre, Jan-Ake Alvarsson, Nikolaj Christensen, Tommy Davidsson, 2024-12-12 The invisibility of women in historical research is a problem that requires dedicated attention and concrete efforts to overcome This book aims to make a small contribution toward this goal by shedding light on the significant contributions of Scandinavian women in early Pentecostalism The authors of this volume bring to light the stories of mostly unknown female Pentecostal pioneers and how they shaped their respective movements and Pentecostalism internationally The stories range from key leaders like Laura Barratt and Anna Larssen Bjørner in Norway and Denmark to obscure apostles in the Arctic regions like Alma Halse and Gerda Ström to missionaries in Africa and Brazil like Hilda Backlund Linnea Halldorf Ingrid Løkken Chawner and Frida Vingren The stories provide a window into the challenges and possibilities of Pentecostal women at the turn of the twentieth century These empowered voices have finally received an audience that they so deeply deserve

Global Renewal Christianity Vinson Synan, Amos Yong, 2017-01-03 The growth of Spirit empowered Christianity has been nothing short of phenomenal From a handful of believers in the early twentieth century to over six hundred million people in almost every culture and denomination today those who embrace the Holy Spirit and His gifts are now the fastest growing religious group in the world But if any generation ceases to emphasize the Holy Spirit s power the movement likely will lose this distinction This final volume is an authoritative collection from more than two dozen leaders and scholars of the Spirit empowered movement In addition to addressing the history and future of the movement this book discusses global theological topics including the emergence of prosperity theology and focuses on the possibilities and challenges for Pentecostalism
