A Critical Pedagogy of Resistance James D. Kirylo,2013-11-04 The diverse range of critical pedagogues presented in this book comes from a variety of backgrounds with respect to race gender and ethnicity from various geographic places and eras and from an array of complex political historical religious theological social cultural and educational circumstances which necessitated their leadership and resistance How each pedagogue uniquely lives in that tension of dealing with pain and struggle while concurrently fostering a pedagogy that is humanizing is deeply influenced by their individual autobiographical lens of reality the conceptual thought that enlightened them the circumstances that surrounded them and the conviction that drove them To be sure people of justice people who resist are framed by a vision that embraces an inclusive tolerant more loving

community that passionately calls for a more democratic citizenship That is just what the 34 critical pedagogues represented in this text heroically do Through the highlighting of their lives and work this book is not only an excellent resource to serve as a springboard to engage us in dialogue about pivotal issues and concerns related to justice equality and opportunity but also to prompt us to further explore deeper into the lives and thought of some extraordinary people A Critical Pedagogy of Resistance 34 Pedagogues We Need to Know is an ambitious undertaking Kirylo s narrative enterprise which seeks to chronicle the lives of transformative pedagogues is a project whose time has come This text is an excellent resource for all those interested in the aesthetic that as Kierkegaard believed exercised power for the common good Luis Mir n

Systematic Classroom Assessment promotes a fresh vision of assessment for student learning and achievement. Using a framework that positions assessment as both an iterative purposeful cycle of inquiry for teachers as well as a coherent system of activities through which students engage in their own learning, this framework for classroom assessment is unique in incorporating self-regulated learning, motivation, and non-cognitive processes. Key components such as assessment for learning, feedback, emerging technologies, and specific content areas are treated in depth, and fundamental principles like reliability, validity, and fairness are approached from the classroom perspective.
