

PETER GODWIN

WHEN A CROCODILE EATS THE SUN

A MEMOIR OF AFRICA

When A Crocodile Eats The Sun A Memoir Of Africa

Alexandra Schultheis Moore

When A Crocodile Eats The Sun A Memoir Of Africa:

When a Crocodile Eats the Sun Peter Godwin, 2025-04-08 After his father's heart attack in 1984 Peter Godwin began a series of pilgrimages back to Zimbabwe the land of his birth from Manhattan where he now lives On these frequent visits to check on his elderly parents he bore witness to Zimbabwe's dramatic spiral downwards into the jaws of violent chaos presided over by an increasingly enraged dictator And yet long after their comfortable lifestyle had been shattered and millions were fleeing his parents refuse to leave steadfast in their allegiance to the failed state that has been their adopted home for 50 years Then Godwin discovered a shocking family secret that helped explain their loyalty Africa was his father's sanctuary from another identity another world *When a Crocodile Eats the Sun* is a stirring memoir of the disintegration of a family set against the collapse of a country But it is also a vivid portrait of the profound strength of the human spirit and the enduring power of love

When a Crocodile Eats the Sun Former Chief Regional HIV Project Peter Godwin, 2014-08-20 Traces how the author routinely traveled between his Manhattan home to Zimbabwe to check on his aging parents visits during which he witnessed the African region's dramatic descent into social and political turmoil

When a Crocodile Eats the Sun Peter Godwin, 2010 An unforgettable story of one man's struggle to discover his past and come to terms with his present The author writes with pathos and intimacy about Zimbabwe's spiral into chaos and along with it his family's steady collapse 2006

When a Crocodile Eats the Sun Peter Godwin, 2006 *When a Crocodile Eats the Sun* Ashleigh Don, Peter Godwin, 2014

Whiteness in Zimbabwe D. Hughes, 2010-04-12 European settler societies have a long history of establishing a sense of belonging and entitlement outside Europe but Zimbabwe has proven to be the exception to the rule Arriving in the 1890s white settlers never comprised more than a tiny minority Instead of grafting themselves onto local societies they adopted a strategy of escape

Vulnerability and Security in Human Rights Literature and Visual Culture Alexandra Schultheis Moore, 2015-10-23 This book responds to the failures of human rights the way its institutions and norms reproduce geopolitical imbalances and social exclusions through an analysis of how literary and visual culture can make visible human rights claims that are foreclosed in official discourses Moore draws on theories of vulnerability precarity and dispossession to argue for the necessity of recognizing the embodied and material contexts of human rights subjects At the same time she demonstrates how these theories run the risk of reproducing the structural imbalances that lie at the core of critiques of human rights Pairing conventional human rights genres legal instruments human rights reports reportage and humanitarian campaigns with literary and visual culture Moore develops a transnational feminist reading praxis of five sites of rights and their violation over the past fifty years UN human rights instruments and child soldiers in Nigerian literature human rights reporting and novels that address state sponsored ethnocide in Zimbabwe the international humanitarian campaigns and disaster capitalism in fiction of Bhopal India the work of M decins Sans Fronti res in the Sahel Afghanistan Democratic Republic of Congo and Burma as represented in various media campaigns and in photographic narratives and

finally the human rights campaigns fiction and film that have brought Indonesia's history of anti leftist violence into contemporary public debate These case studies underscore how human rights norms are always subject to conditions of imaginative representation and how literature and visual culture participate in that cultural imaginary Expanding feminist theories of embodied and imposed vulnerability Moore demonstrates the importance of situating human rights violations not only in the context of neo liberal development policies but also in relation to the growth of security networks that serve the nation state often at the expense of the security of specific subjects and populations In place of conventional victims and agents the intersection of vulnerability and human rights opens up readings of human rights claims and suffering that are at once embodied and shareable yet which run the risk of cooptation by security rhetoric **Keeping Family Secrets**

Margaret K. Nelson, 2022 Drawing on 160 published memoirs this book explores the costs and benefits in the post WWII period in the United States both for individuals and for families of keeping secrets about homosexuality institutionalization of children with disabilities unwed pregnancy involvement in left wing political activities adoption and Jewish ancestry

experts at fodors.com community to ask any other questions and share your experience with us **Scatterlings- a Tapestry of Afri-Expat Tales** Eve Hemming, 2013-06-26 Moving country remains the hugest thing we've ever experienced accomplished drowned in it's an act of seemingly utter insanity which negates all one's most primal connections to the cosmos I find myself quoting Keats more often Happiness is sharpened by its antithetical elements Experiencing a new chapter of life is life altering and isn't given enough credence Each day we are grateful to taste a figuratively different menu yet simultaneously we miss the staple diet stemming from our roots I recall emailing a psychologist colleague of mine a few months after my arrival here Am I experiencing a schism of the self I asked She replied No just re-inventing the self I kept that pinned on my notice board at work for the first year to reflect on

Scatterlings Synopsis The book kicks off with the author's innocent and carefree childhood growing up on a farm in South Africa my awakening conscientising into an awareness that all is not right being born into an apartheid era life in SA and the epiphany to immigrate to NZ The chapter Bouncing off Planet Africa encompasses the grieving and healing process of migration This section should be extremely beneficial to all migrants as part of the adaptation and acculturation process The Scatterling tapestry chapters follow with migrants' stories of their passion pain love and hate of Africa For this section a remarkable cross section of stories people of various cultural backgrounds and groups from Southern Africa including cross cultural marriages gay marriages the lobola story between a Zulu woman and an American man people who were marginalised and affected by apartheid or survived the war in Zimbabwe etc plus Afri-expat tales from places such as Peru USA Canada Saudi Arabia Qatar Kenya Zimbabwe UK Oz and NZ have been gathered and incorporated There is a section with contributions including a Somali Refugee a rootless African American due to slavery and people of colour uprooted in South Africa due to the apartheid areas act Expats talk about hurdles and obstacles regarding migration and about the wonderful sense of freedom from the shackles of apartheid and from fear violence and criminality They also offer some tips and advice to wannabes while others hanker for home so much and return to face the challenges of a violent land The contributors echo the same parallel threads yet different and unique each through their own personal lens A short chapter offers children the opportunity to share their stories in Out the Mouths of Babies which is both insightful and humorous An historical political time line follows from Khoi Khoi to current with articles and information demographics and some statistics covering the establishment of humanity in the ancient continent the conflicts the horrors of apartheid and current exasperation due to ongoing heinous crime stress corruption and structural disintegration juxtaposed against optimism and hope Articles all with the author's blessings are included by well-known South African writers politicians projectionists and figure heads the likes of Helen Zille Clem Sunter Max du Preez and several young emerging African columnists the likes of Mabaso Mtshkulu and Shuudi There is a section on migrants' poetry followed by Southern African recipes and food tales as immigrants identify with food as part of the cultural adaptation and period of

grieving A short existential epilogue concludes the book
