Board Staff are aware of the current long wait times for phone and email responses. We apologize for this inconvenience. Transitioning to a new licensing system, current staff having to work remotely during a peak graduation season with testing and the background check delays has presented many challenges simultaneously. However, management is working to increase the number of staff available to assist. Currently, turnaround time for processing most applications is between 15 and 30 days. We are working diligently to decrease our processing times within the next month. If you require information that your Texas Nurse Portal account cannot provide, please send a detailed email to webmaster@tbn.texas.gov. We appreciate your patience during the trying time.
